विषय/Sub: Submission of new proposals for the Establishment of Model Career Centre- reg-

महोदय/Sir,

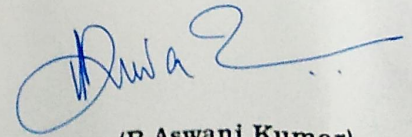

The Ministry of Labour and Employment is implementing the National Career Service (NCS) Project by transforming Employment Exchange to Career Centres. The Ministry has since developed the portal with key functionalities associated with the employment exchange processes including online registration, Career Counselling, Job matching etc. Initially, National Career Service envisaged setting up 100 Model Career Centres (MCCs) to provide improved technology driven employment services by providing Grant-in-Aid for setting these Model Career Centres (MCCs).

So far 274 MCCs have been approved including 07 on non-funded basis. The Govt. now, keeping in view of importance of employment as a thrust area in Govt. scheme, and to provide Employment related services to more and more jobseekers and other stake holders has decided to establish 200 more Model Career Centres (MCCs) in collaboration with the State/UTs thereby intensifying the geographical coverage of the scheme by increasing the number of Model Career Centres (MCCs) to 400.

In view of this, it is requested to facilitate the sending of most appropriate and deserving new proposals from your State/UTs for setting up the Model Career Centres (MCCs) as per the guidelines by 25th June, 2022. New Guidelines (MCCs) is attached herewith.

भवदीय/Yours faithfully,

संलग्नक/Encl.- New Guidelines (As above)
