PREFACE

Directorate General of Employment & Training (D.G.E.&T.), Ministry of Labour & Employment, Government of India has been conducting, since 1960, the "Census of Central Government Employees" to update the data series on employment profiles of Central Government employees working in various parts of the country. The present report is thirty-second in its series and presents data as on 31st March, 2008. The report would be useful in perspective planning for framing of welfare schemes and other service facilities by the Central Government to its employees.

The present Census was organised and carried out through the network of Employment Exchanges throughout the country with active support and cooperation of Central Government establishments located all over India.

I would like to place on record my sincere thanks to all the functionaries of the Directorates of Employment of States/Union Territories, Central Government establishments and various Central Government Ministries who have assisted by providing requisite data in bringing out this report. I would also like to place on record my sincere appreciation of the work done by officers and staff of Survey & Study Division of DGE&T in finalising this publication under the overall guidance and supervision of Deputy Director General (Employment).

(Sharda Prasad)

HIGHLIGHTS

- (1). As per the result of Census Enquiries, the total regular employment under Central Government as on 31st March, 2008 was 31.12 lakh as against 31.16 lakh on 31st March, 2006. The employment has, thus, recorded a decline of 0.13% in 2008 over 2006.
- (2). Employment in Ministry of Railways was the highest (44.81%) followed by the Ministry of Home Affairs (23.76%), Defence civilian (11.72%), Communications & IT (7.25%) and Finance (3.48%). Other Ministries/Departments collectively shared about 9% of the total Central Government regular employment.
- (3). Out of 31.12 lakh regular employees, 3.14 lakh were women. The proportion of women in the total employment shows an increasing trend except marginal decrease in the year 2008. It is 10.09% in 2008 against 10.28% in 2006, 7.53% in 2001 and 9.68% in 2004.
- (4). About 95% of regular Central Government employees were Non-Gazetted. The overall ratio of Gazetted to Non-Gazetted employees was 1:20. In Ministry of Railways, ratio, however, was 1:114.
- (5). Amongst regular Central Government employees, 59.69% were holding Group-‘C’ posts and 29.37% were in Group-‘D’ posts. About 8% were holding Group-‘B’ posts whereas employees holding Group –‘A’ posts were only about 3%.
- (6). About 19% of the regular Central Government employees were found to be in pay range of Rs. 3500-4499/- and only 0.42% employees were in highest bracket of pay range with drawing basic pay of Rs. 18,400/- & above.
- (7). Amongst regular Central Government employees, 15.47% were working at offices located in ‘A-1’ class cities, 10.47% in ‘A’ class cities, 4.04% in B-1 class cities and 15.23% in B-2 class cities. The percentage of employees in ‘C’ class and other unclassified cities was 54.80%.
- (8). Amongst States and Union Territory Administrations, the highest number of regular Central Government employees was in the State of West Bengal (10.50%) followed by Uttar Pradesh (9.82%), Maharashtra (8.97%), Delhi (6.55%), Andhra Pradesh (5.97%) and Tamil Nadu (4.42%). In remaining States/U.Ts the proportion was less than 4%.

CENSUS OF CENTRAL GOVERNMENT EMPLOYEES

(AS ON 31st March, 2008)

INTRODUCTION

1.1 The Government of India, Ministry of Labour and Employment, Directorate General of Employment & Training has been conducting, since 1960, the "Census of Central Government Employees" with 31st March as its reference date. The present report, which is thirty-second in the series, covered Central Government employment as on 31st March, 2008. The main purpose of the Census was to provide employment details on aspects such as pay-ranges of employees, sex-structure, status, tenure of service, group of posts (Gazetted/non-gazetted), location by States and class of cities, etc.

SCOPE, COVERAGE, CONCEPTS & DEFINITIONS

1.2 The Census covered all employees holding civilian posts under Central Government establishments which existed as on the 31st of March, 2008 and whose pay & allowances, honoraria or any other remuneration were paid out of the Consolidated Fund of India. The return prescribed and used for collection of Census data is at Annexure 1.1. Scope coverage, concepts and definitions adopted for conducting the Census Enquiries are given in Annexure 1.2.

METHODOLOGY, LIMITATIONS AND ESTIMATION OF NON-RESPONSE

1.3 The basic data under the Census was collected from all Central Government establishments borne on the "Employer's Register" maintained at Employment Exchanges through their net-work spreading all over the country. However, Census returns duly filled-in by employers have been received only from 5147 establishments out of total 7345 establishments. The response, thus, came up around 70%.

1.4 Data from secondary sources such as Annual Reports of the respective Ministries/Departments, information on Central Government employees compiled and maintained by Department of Personnel & Training and Pay Research Unit, M/o Finance have also been utilized to arrive at the total number of the Central Government employees.

1.5 Keeping the above facts into consideration, total number of Central Government employees worked out to be 31.12 lakh during the period under report and the same has been incorporated in various Tables in this publication. However, the distribution of employees shown category-wise in the Table numbers 3, 4, 6 & 7 and Annexures 2.3 3.1, 3.2, 3.3 and 3.4 have been estimated on the basis of proportions arrived by using information received from the establishments. Further, the data presented in Table number 8 and 9 on location / State-wise employment is based on either data of Employer's Register at the Employment Exchanges under Employment Market Information (EMI) Programme or on the basis of proportions observed in the previous Census.

EMPLOYMENT UNDER CENTRAL GOVERNMENT

2.1 The total number of regular civilian employees under Central Government establishments as on 31st March, 2008 was 31.12 lakh. The Table-1 shows overall comparative change noticed in the level of Central Government employment (regular) as on 31st of March, 2006 and 2008.

Table – 1

**CENTRAL GOVERNMENT EMPLOYMENT
(2006 & 2008)**

(In lakh)

Category of employees	Number of employees as on 31 st March		Increase/Decrease	
	2006	2008	Absolute	Percentage
1	2	3	4	5
Regular	31.16	31.12	-0.04	-0.13
TOTAL	31.16	31.12	-0.04	-0.13

* Total may not tally due to rounding off.

The total employment under Central Government as on 31st March, 2008 has decreased marginally by 0.04 lakh over 31st March, 2006. This decrease may be attributed to various recruitment policies of the Government. Right sizing policy has been a major contributory factor for this declining trend.

EMPLOYMENT UNDER VARIOUS MINISTRIES

2.2 The distribution of regular employees in major Ministries is given in Table-2:

Table-2**REGULAR CENTRAL GOVERNMENT EMPLOYMENT IN MAJOR
MINISTRIES AS ON 31ST MARCH, 2008**

Sl. No.	Ministry	Number of regular employees	% age to the total
1	2	3	4
1.	Communications & IT	225469	7.25
2.	Defence (Civilian)	364718	11.72
3.	Finance	108123	3.48
4.	Home Affairs	739372	23.76
5.	Railways	1394418	44.81
6.	Others	279510	8.98
TOTAL		3111610	100.00

The Ministry of Railways has a major share (44.81%) of the total regular Central Government employees followed by Ministries of Home Affairs (23.76%), Defence (civilian) (11.72%), Communications & IT (7.25%) and Finance (3.48%). These five Ministries taken together accounted for 91% of the total Central Government employment. The residual employment (about 9%) was shared by all the remaining Ministries/Departments of the Central Government.

WOMEN EMPLOYMENT UNDER CENTRAL GOVERNMENT

2.3 Women employment under Central Government has been estimated to the tune of 3.14 lakh, which is 10.09 per cent of the total regular Central Government employment. Women employees together with their proportion in the total estimated women employment in the major employing Ministries for the year 2008 is shown in Table-3:

Table – 3

ESTIMATED WOMEN EMPLOYMENT IN MAJOR EMPLOYING MINISTRIES

Sl. No	Ministry	Women employment as on 31st March, 2008	
		Number	% age share
1	2	3	4
1.	Communications & IT	31633	14.03
2.	Railways	97051	6.96
3.	Defence (Civilian)	39353	10.79
4.	Others	146060	12.96
TOTAL		314097	10.09

It may be observed from Table-3 that participation of women was highest in Ministry of Communications & IT(14.03%) whereas participation of women in Ministry of Railways is quite low (6.96%) as compared to overall women participation in Central Government employment. Ministry of Defence (civilian) has fair share of women employment i.e. 10.79%. The participation of women shared by rest of the Ministries/Departments was of the order of 12.96%.

STATUS OF CENTRAL GOVERNMENT EMPLOYEES

2.4 88.41% of the regular Central Government employees were permanent whereas 11.59% were temporary. The break-up of Gazetted and Non-Gazetted regular employees classified by their status in service is given in Table-4.

Table – 4

Ministry-wise break-up of employees according to their status by post (Gazetted & Non-Gazetted) can be seen in Annexure 2.1.

2.5 Further, analysis of data visualized that amongst regular Central Government employees, over-all share of “Gazetted Employees” was to the tune of 4.67%. In the case of Non-Gazetted employees their share in total employment was of the order of 95.33%, a maximum comprising a fraction of temporary employees (12%).

2.6 The ratio of Gazetted to Non-Gazetted employees was as high as 1:114 in the establishments under Ministry of Railways. The overall ratio, however, works out to 1:20. Ministry-wise details are given in Table-5.

CLASSIFICATION OF EMPLOYEES BY GROUP OF POSTS HELD

2.7 The data collected from the employing establishments through the Census Enquiry of 2008 indicate the proportions in Central Government employees by Group of posts i.e. Group A, B, C & D as presented in Table-6.

Table-6

REGULAR CENTRAL GOVERNMENT EMPLOYEES CLASSIFIED BY GROUP OF POSTS HELD

Group of posts	As on 31 st March, 2008	
	No. of employees	% age to total
A	92716	2.98
B	247822	7.96
C	1857222	59.69
D	913850	29.37
TOTAL	3111610	100.00

Note: Figures may not tally with total Gazetted employees as all the Group-B employees shown may not be Gazetted.

The data in Table-6 reveals that bulk of Central Government employees held either Group 'C' or Group 'D' posts with their share being 59.69% and 29.37% respectively. As against this, Group 'A' & 'B' posts (inclusive of the Non-Gazetted in group 'B') had meagre share of 2.98% and 7.96% respectively.

CLASSIFICATION OF EMPLOYEES BY PAY-RANGES

2.8 The concept of pay structure used under the Census Enquiries refers to the basic pay and hence, may be interpreted to exclude other allowances or special pay etc. that are also admissible to Central Government employees. The strength of employees in various pay-ranges have been shown in Table-7.

Table – 7

**ESTIMATED DISTRIBUTION OF REGULAR CENTRAL GOVERNMENT
EMPLOYEES ACCORDING TO VARIOUS PAY-RANGES**

Pay ranges (in Rs.)	As on 31 st March, 2008	
	No. of employees	%age to total

14300-18399	31759	1.02
18400 & above	13212	0.42
Total	3111610	100.00

The above Table reveals that the maximum proportion of employees were found to be in the pay range of Rs. 3500-4499 (19.14%) followed by pay ranges of below Rs.3049 (16.37%), Rs.3050-3499 (15.73%) and Rs.4500-5499 (15.09%). The minimum number of employees were in the pay range of Rs. 18400 & above. Overall 90% of the total Central Government employees i.e. Group B, C & D share major chunk of pay below Rs.7999. The distribution of employees by various pay-ranges in major Ministries/Departments is given in Annexure - 2.3.

DISPERSAL OF EMPLOYEES IN CLASSIFIED CITIES

2.9 Central Government establishments under the Census Enquiries furnished details of their staff actually working in each of the A-1, A, B-1, B-2 and C class cities. In case of those establishments, which did not furnish details about their staff strength for each class of cities, the entire staff has been considered to be working in the same city where the reporting establishment is located. Keeping this in view, the location of regular Central Government employees in different class of cities viz., class-A-1, A, B- 1, B-2 and other class cities has been presented in Table-8.

Table -8

"B-2" Cities	473790	15.23
"C" and other unclassified Cities	1705127	54.80
Total	3111610	100.00

2.10 It is observed from the data in Table-8 that around 15.47% of the regular Central Government employees were posted in Metropolitan cities i.e. "A-1" class cities and 10.47% were posted in class-"A" cities. Maximum (6.55%) were reported to have been posted in the National Capital Territory of Delhi followed by Kolkata (3.80%), Greater Mumbai (3.27%) and Chennai (1.85%). 4.04% of the employees were reported to have been working in B-1 class cities and 15.23% in B-2 class cities. 54.80% of the employees were reported to be working in class 'C' and other unclassified cities.

STATE-WISE DISPERSION OF CENTRAL GOVERNMENT EMPLOYEES

2.11 The State-wise dispersion of Central Government employees has been shown in the Table-9. The data presented in this Table have the following limitations:-

Firstly, the Census returns are usually collected directly from the employing establishments. The jurisdiction of these establishments is considered as the basis. However, in the case of some major Ministries/Departments their jurisdiction posed certain administrative difficulties. For example, some reporting establishments which actually render data/information in the prescribed Census forms under the Ministry of Railways, Ministry of Communications & IT cut-across the State boundaries. The data collected from these establishments in fact is not necessarily belonging to the areas where these establishments are located but in many cases, the Central Government employees employed by such establishments as per their work distribution belonging to other State locations also. Hence, the results obtained and presented in this report, particularly in the Table-9, may have to be viewed liberally. However, attempts have been made to bifurcate approximately to the extent possible.

Secondly, some establishments which employed sizeable number of employees deployed their personnel on need basis to other States and their employees constantly keep moving from one location to other. As such, the mobile personnel (Civilian Para Military Forces) engaged by Central Organizations such as Central Reserve Police Force (CRPF), Border Security Force (BSF), Central Industrial Security Force (CISF), Indo-Tibetan Border Force (ITBF) & Assam Rifles etc., have been shown in the Census data in Table-9 separately and are not classified at the State level.

Note: Figures in brackets represent percentage increase/decrease over previous Census year. But the figures in brackets against 1978 are over previous two years and similarly, figures shown against 1988, 1995, 2001, 2004, 2006 and 2008 are over 1984, 1991, 1995, 2001, 2004 and 2006 respectively.

CERTAIN OTHER FEATURES OF REGULAR CENTRAL GOVERNMENT EMPLOYMENT

3.3 In the past three decades, certain important features of regular employees have been noticed through trend emerging out of the data collected from the Census Enquiries. These relate to the analysis of employees by sex, status and tenure of posts, which were held by Central Government employees. The data in the Table-12 presents the summary results:

Table-12

2008	31.12	314097	10.09	88.41	20

3.4 It is interesting to note that the proportion of women employees has been steadily increasing during the years under review except the study under reference. Their proportion in the total Central Government employment improved from 2.51% in 1971 to 10.09% in 2008. It is also seen that Central Government employees in larger proportion are now holding permanent status in the Government. The ratio of Gazetted to Non-Gazetted officers, which was as high as 1:49 in 1971, came down to 1:20 in 2008.

Scope, Coverage, Concepts and Definitions adopted under the Census

A. SCOPE AND COVERAGE

The Census of Central Government employees cover all persons actually holding on the date of Census, civilian posts in and under the Central Government, whose pay and allowances, honorarium or any other remuneration, etc., are paid out of the Consolidated Fund of India. These employees include the following categories of personnel holding either Gazetted or Non-Gazetted posts: -

- (i). Permanent employees of the Central Government;
- (ii). Temporary employees of the Central Government;
- (iii). State Government employees on deputation to the Central Government;
- (iv). Honorary employees of the Central Government in receipt of honorarium.

B. CONCEPTS AND DEFINITIONS

1. Regular Staff

(i). Permanent Employees

One who holds a Central or State Government post substantively on the date of the Census.

(ii). Temporary Employees

The employee who has not been declared permanent in the post he is holding or in any other substantive post.

(iii). Locally Recruited Staff

Persons recruited for service in the Indian Embassies and Missions abroad who do not belong to regular establishment and are in receipt of consolidated emoluments not comparable with the basic pay-ranges applicable to the regular establishment.

2. Pay

“Pay” means basic pay only excluding personal pay, special pay and dearness pay on the date of the Census.
