National Career Service – one stop solution for all career related services

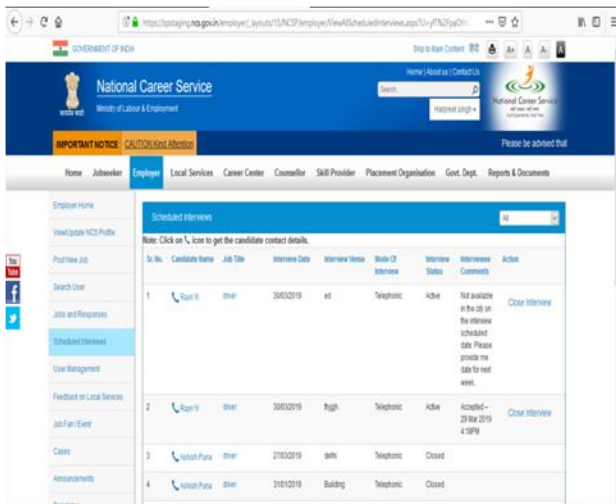

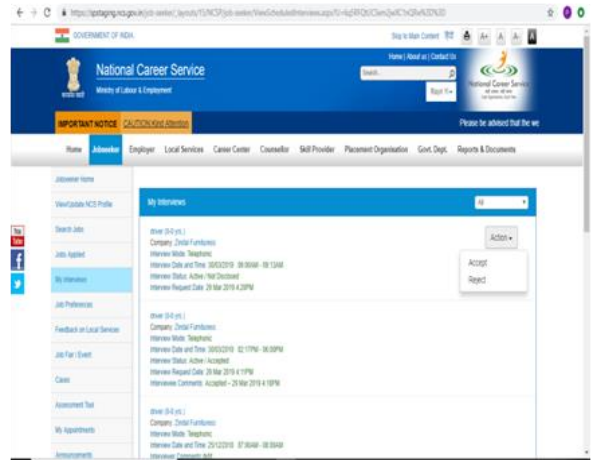

National Career Service is a vibrant platform which aims to transform and strengthen the public employment services in the country. It brings together Job Seekers, Employers, Skill Providers, Career Counsellors, Local Service Providers (LSP's), Career Centers, Placement Organizations, Households and Government Departments on a common platform through the efficient use of information technology.

- Easy accessibility of employment services like staffing, placement and recruitment to all the stakeholders
- Enhancing employability of the workforce by providing them information on training & skilling information
- Provisioning of career counselling services
- Self-help & assessment tools of capabilities & vocational guidance services to jobseekers
- Providing information related to job profiles, career paths & employers
- PAN verified institutions and rich database of job seekers
- Career planning and rich career content on over 3500 occupations across 52 sectors
- NCS has partnerships with various private organizations like Freshersworld, Monster, Quikr, etc. and the data exchange on the portal helps connecting job seekers with more number of prospective employers.
- 100+ Model Career Centres (MCCs) have been set up and additional 100 MCCs are being planned.
- National Career Service Centres for Differently Abled (NCSC-DA) are being run by DGE across the country.
- National Career Service Centres for SCs and STs (NCSC – SCs/STs) for providing employment related training and guidance are also being run by DGE.

The Indian Media and Entertainment (M&E) industry is a sunrise sector for the economy and is making high growth strides. Proving its resilience to the world, the Indian M&E industry is on the cusp of a strong phase of growth, backed by rising consumer demand and improving advertising revenues. The industry has been largely driven by increasing digitization and higher internet usage over the last decade. Internet has almost become a mainstream media for entertainment for most of the people.

The Indian advertising industry is projected to be the second fastest growing advertising market in Asia after China. At present, advertising revenue accounts for around 0.38 per cent of India's gross domestic product.

Indian media and entertainment (M&E) industry grew at a CAGR of 10.90 per cent from FY17-18; and is expected to grow at a CAGR of 13.10 per cent to touch Rs 2,660.20 billion (US\$ 39.68 billion) by FY23 from Rs 1,436.00 billion (US\$ 22.28 billion) in FY18. India's media consumption has grown at a CAGR of 9 per cent between 2012-18, almost nine times that of US and two times that of China. The industry also provides employment to 3.5-4 million people, including both direct and indirect employment – **(Source: India Brand Equity Foundation, www.ibef.org)**

➤ **NCS gave a new start to my career**

My name is Nikhil Bajpai, I got my present job with the help of Model Career Centre, Kanpur. I completed my Bachelor of Engineering in Computer Science but did not have much knowledge in this field and as a result of this I could not perform well in my earlier jobs. I was searching for an opportunity which could give me more satisfaction. I came to know about National Career Service as well as upcoming Job Fair through the Newspaper and I applied for an interview and gratefully got a job of my choice and interest. I am very happy to share that I am currently working with Swiggy and I am completely satisfied with my current work profile and remuneration plus bonus amount as per number of orders completion. I can work according to my convenience too. Other than this, I am enjoying biking and travelling too. I am very thankful to Model Career Centre and Shivani Ma'am for helping me in giving a new and respectable start to my career again

➤ **“Right guidance from NCS helped me in securing a job” says Rohtash**

Rohtash from Bharatpur District Rajasthan who passed 12th Standard but couldn't pursue further studies because of his family condition. One day, he got to know about NCS Project as well as Model Career Centre through one of his friend and he attended Career Counseling session and came to know about the upcoming Recruitment Drive. With the help of MCC, he was thoroughly prepared for an interview for a company. He attended the interview and got selected in Maruti Suzuki, Manesar. Rohtash shares “I am very thankful to the Young Professional who is working in the Model Career Centre, Bharatpur, only because of his immense guidance and support I am working with an esteemed company of Four Wheeler Market. I am equally thankful to my parents who have helped me in their best possible way and made me stand on my own feet.”

➤ **Realized her dreams through Skill Training**

I am Shivaramnjini from Lakkasandra, Bangalore, I completed my ITI and I was trying for apprenticeship. Mean while, one of my friend told me about a 3 months training programme in Solar and Electrical domain conducted by Don Bosco Tech. I found it interesting and immediately joined this training programme and also got placed in Schneider Electricals as Trainee – Electronics. This job has boosted my confidence a lot. I wish to say thanks to all my trainers in Don Bosco Tech, National Career Service and Model Career Centre for providing me this opportunity.

➤ **“Discovered new skills and strengths through Tata Affirmative Action Programme” says Dolly**

One day I received a message from Model Career Centre (District Employment Exchange), Bharatpur regarding some training so I visited the centre for the detailed information about the training programme. I was very happy to know that there is such a vast experience and knowledge that this centre is providing to low income group people who come from different background. Initially when I joined this training program, I was in a state of dilemma that what will happen after this but as the training went on; I started enjoying this training program and got completely involved into this. And the most important moment of my life was when on the day of the interview, HR team announced my name for BPS Trainee. For me it was like a dream came true and I had no words to explain my happiness. When I shared this information with my parents, they were very happy for me. I am very grateful to the Model Career Centre Team and TCS Team for offering me this opportunity.
