## ➤ **“Thank you for connecting me with the right opportunity” says Alok Behra**

I am Alok from Khurda District, Odisha. I have Speech & Hearing impairment. Earlier, I approached many companies for an entry level job opportunity against all odds but was unsuccessful. It was only through National Career Service Project which has National Career Service Center for Differently Aabled (NCSC-DA), Bhubaneswar that I got the opportunity to work with Department of Restaurant Management, in Hotel Ginger. I feel blessed to work at Hotel Ginger and my heartfelt thanks to the entire team of National Career Service, for connecting me with the right opportunity.

## ➤ **With NCS Surabhi’s dream came true**

“The future belongs to those who believe in the beauty of their dreams.” Getting Placed in good company was a dream for me, but we all know dreaming is easy but fulfilling the dreams is not an easy job. But if one has proper guidance and does hard work, he/she can surely achieve what he/she wants. It was our placement session at GNDU Model Career Centre Amritsar in April when Companies were hiring students for summer internships and then on their good performance, they were offered PPO.

My Dream was to get selected in Nagarro Bootcamp. I was a member of student placement committee, for the same. I have closely observed the placement procedure of my seniors which helped me a lot in preparing for my own placement. MCC Team took an initiative to spread awareness about placements not in the main campus but also in all regional campuses of university which helped me to crack Nagarro Bootcamp

## ➤ **Discovered new skills and strengths through Tata Affirmative Action Programme**

I am Khushboo Srivastava from new Ashok Nagar Delhi. I have completed B.Com (Hons.) from Jamia Millia Islamia University in 2018. From last one year I was searching for a good job. My brother told me about NCS Project and NICS – Model Career Centre, Noida. Then I visited to NICS – Model Career Centre, Noida for consultation and came to know about the TCS- Training program from Young Professional (Mr. Sachit Sharma), he had guided me to attend 20 days skill gap training and to appear for the interview with TCS. I started attending training and after completion I was selected for the same. It was a wonderful experience of my life and really want to thanks the whole team of NICS- Model Career Centre, Noida.

## ➤ **Ankit Sain secures Employment Opportunity in Hero Motocorp India**

I never thought that I will be working with Hero Motocorp India, Neemrana one day after completing my studies. I did ITI and wanted to work in technical department of some reputed company. I registered myself with the Employment Exchange and also, on National Career Service Portal. As I have a lot of responsibilities towards my family to support them, I couldn't study further. But never have any regret for this as today my father feels proud of myself for whatever I am doing today. One day I got an SMS from Employment Exchange for Recruitment Drive at Nehru Private ITI, Pahersar, Bharatpur. I appeared in the recruitment process and cleared all the rounds. After almost one month I got my offer letter and when I joined there I felt very happy. My thanks to Model Career Centre for providing me this job.
