National Career Service – one stop solution for all career related services.

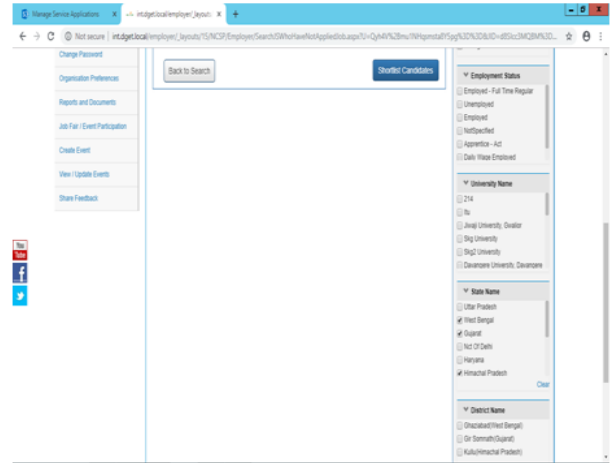

National Career Service is a vibrant platform which aims to transform and strengthen the public employment services in the country. It brings together Job Seekers, Employers, Skill Providers, Career Counsellors, Local Service Providers (LSP's), Career Centers, Placement Organisations, Households and Government Departments on a common platform through the efficient use of information technology.

- Easy accessibility of employment services like staffing, placement and recruitment to all the stakeholders
- Enhancing employability of the workforce by providing them information on training & skilling information
- Provisioning of career counselling services
- Self-help & assessment tools of capabilities & vocational guidance services to jobseekers
- Providing information related to job profiles, career paths & employers
- PAN verified institutions and rich database of job seekers
- Career planning and rich career content on over 3500 occupations across 52 sectors
- NCS has partnerships with various private organizations like Uber, Monster, Quikr, etc. and the data exchange on the portal helps connecting job seekers with more number of prospective employers.
- 100+ Model Career Centres (MCCs) have been set up and additional 100 MCCs are being planned.
- National Career Service Centres for Differently Abled (NCSC-DA) are being run by DGE across the country.
- National Career Service Centres for SCs and STs (NCSC – SC/ST) for providing employment related training and guidance are also being run by DGE.

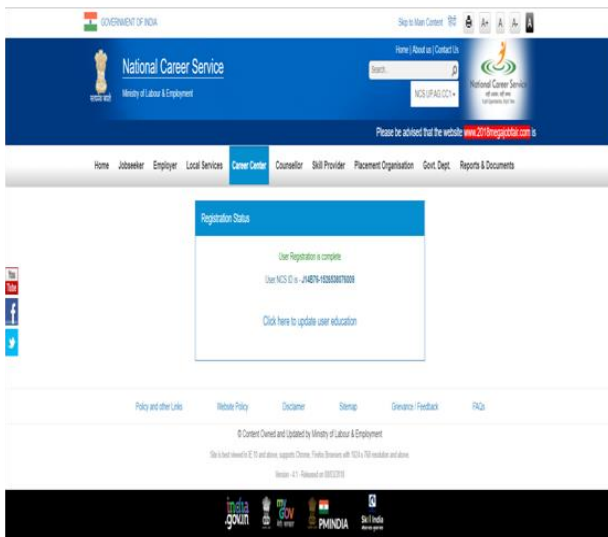

➤ For Employers New University and Location Filters Added to Candidate Search Page

New College/University/Board and Location (State and District) filters have been added for Employer/Govt. Dept. /PO profiles on their Search Candidate/Search User page. An Employer type user can now search for candidates from a specific state or district and from a particular education institution.

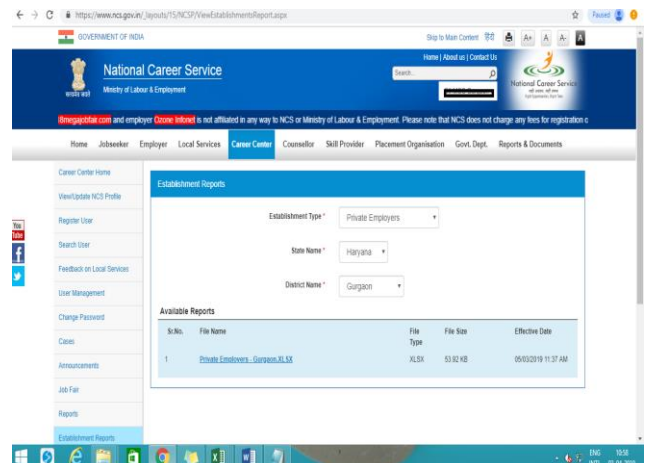

➤ For Career Centres Update Educational details of newly registered Job seeker / Local Service Provider

Career Centre user is now provided direct link to update education details of Jobseekers and Local Service Provider after their successful registration on the NCS Portal.

➤ For Career Centres Establishment Reports

Career Centres have been provided a link to view / download Establishment Reports of their respective states on NCS Portal

➤ International Women's Day celebrated by Model Career Centre, Surat

On the occasion of International Women's Day, Model Career Centre, Surat conducted Women Empowerment Seminar & Job Fair on 8th March, 2019 at Model Career Centre Surat, AVTS Building, ITI Campus, Majura Gate, Surat. The main aim of this program was to make female participants aware about the various skill development programs as well as self employment schemes along with Job Fair details. Around 150 female candidates attended this Seminar.

➤ Yuva Mahotsav, 2019 - Dehradun towards Employment and Entrepreneurship

Model Career Centre, Dehradun (Employment Department) in association with Higher Education Department of Uttarakhand organized first of its kind event, Yuva Mahotsav 2019 "Yuva Uttarakhand", towards Employment and Entrepreneurship" on 6th March 2019. Event witnessed 56 Employers from different sectors, representatives from Sector Skill Councils & various Skill development programs running in the State. Around 10,000 students from nearly 52 colleges attended this event.

P.G. College Rudrapur on 15th & 16th March, 2019. This Conference gave an intensive exposure to various Skill Oriented topics through presentations and discussions led by multiple experts.

➤ **NCS Portal Awareness cum Career Guidance Camp for B.A. Students in Punjab**

NCS Portal Awareness cum Career Guidance Camp was conducted for the students of B.A. final year on 8th March, 2019 at Govt. Jawahar Lal Nehru College, Mandi Gobindgarh, Punjab. More than 120 students participated in this programme with full enthusiasm and great zeal. During the session, features and utilities of National Career Service were also discussed in detail.

Healthcare has become one of India's largest sectors - both in terms of revenue and employment. Healthcare comprises hospitals, medical devices, clinical trials, outsourcing, telemedicine, medical tourism, health insurance and medical equipment. The Indian healthcare sector is growing at a tremendous pace owing to its strengthening coverage, services and increasing expenditure by public as well private players. It has become one of India's largest sectors - both in terms of revenue and employment.

Indian healthcare delivery system is categorized into two major components - public and private. The Government, i.e. public healthcare system comprises limited secondary and tertiary care institutions in key cities and focuses on providing basic healthcare facilities in the form of primary healthcare centres (PHCs) in rural areas. The private sector provides majority of secondary, tertiary and quaternary care institutions with a major concentration in metros, tier I and tier II cities.

India's competitive advantage lies in its large pool of well-trained medical professionals. India is also cost competitive compared to its peers in Asia and Western countries. The cost of surgery in India is about one-tenth of that in the US or Western Europe. – ibef.org

Now get in-depth info on Healthcare sector including Job Description, Career Progression Path, Key Competencies through NCS Portal under “Career Information” section.

➤ Secured a Job Opportunity through NCS Portal

My name is Manav Bhateja. I got registered on NCS portal last year. I was doing MBA and was told about NCS by official in the career centre of Guru Nanak Dev University, Amritsar. They guided me to be a part of largest employment portal. As I joined I had started getting e-mails from NCS through which I have come to know about various companies' placement drives. MCC staff made me familiar with company's eligibility criteria and skills required to get those jobs. So with the help of GNDU Model Career Centre, I've developed those skills and was able to confidently sit in the interviews.

After applying for various companies I was selected in HDFC Bank at a pay package of Rs. 4.23 lakh. This is all because of NCS portal and all the efforts their officials are putting into it. I really appreciate the work done by government.

➤ “Thank you for bringing employment opportunities to the Youth of the Country” says Pradeep Tyagi

I am Pradeep Tyagi from Ghaziabad, Completed my graduation from Dr. A.P.J. Abdul Kalam Technical University Uttar Pradesh, Lucknow. During my search on internet, I came to know about NCS Project running in the Model Career Centre, National Institute for Career Service, Noida. I had also participated in the Job fair conducted by Model Career Centre, NICS Noida with full preparation and selected as a Quality Analyst in operations department in the company Integrated Information Services Pvt. Ltd, Noida. I am thankful to the government for helping and bringing new employment policies for the youth of India.

➤ **Acquire a Skill, Acquire Employment**

I completed my 12th standard and I had the responsibility to take care of the family being an elder daughter. But I was lacking guidance on what to do after my 12th standard to get better opportunities in a short time. After getting career guidance and counseling from Model Career Centre, Don Bosco, Bangalore, I was referred for skill training in retail management. I received training in communication, customer management, presentation etc. in this training course. Industrial Exposures and Mock Interview training helped me to develop my skills. After completion of the training, I got placed at A-C Academy as an admin with a salary of Rs 10000 per month. I thank MCC and skill training institute for the help.

➤ **Turned disability into ability**

Being a Locomotor Disabled of 60% and an adult about 24 years, I don't want to be a burden for my parents as we hail from a rural area called Abhimanpur of Cuttack district. After completion of Bachelor of Arts, I looked for job opportunities, and realized that simply having a Graduation degree in hand is not adequate to grab an employment option but one must have some skill set too. As I was registered with the NCSCDA, Bhubaneswar, visited for a counseling session and my profile was referred to Livelihoods Advancement Business School (LABS) running in collaboration with the NCSCDA, Bhubaneswar. I was trained for two months and later on through the NCSCDA, Bhubaneswar I was referred for a recruitment process supposed to be held at KARVY Data Management Pvt. Ltd., Bhubaneswar and fortunately I got selected and till then I am serving at KARVY and performing to the best of my ability to perform most of the assigned work. I am thankful to entire team of the NCSCDA, Bhubaneswar for extending such cooperation to make me employable in the corporate world.
