## Quarterly Bulletin on Employment and Unemployment Indicators

---

### 1. Introduction

#### 1.1 Periodic Labour Force Survey (PLFS) of NSO

1.1.1 Considering the importance of availability of labour force data at more frequent time intervals, National Statistical Office (NSO) launched Periodic Labour Force Survey (PLFS) in April 2017. On the basis of PLFS, Quarterly Bulletins are brought out, corresponding to different quarters of the survey period, giving estimates of labour force indicators, viz., Labour Force Participation Rate (LFPR), Worker Population Ratio (WPR), Unemployment Rate (UR), distribution of workers by broad status in employment and industry of work in the Current Weekly Status (CWS) for the urban areas. Twelve Quarterly Bulletins corresponding to the quarter ending December 2018 to the quarter ending September 2021 have already been released.

Besides the Quarterly Bulletins, Annual Reports are brought out covering both rural and urban areas giving estimates of all important parameters of employment and unemployment in both usual status (ps+ss) and current weekly status (CWS). Three Annual Reports<sup>1</sup> corresponding to the periods July 2017 - June 2018, July 2018 - June 2019 and July 2019 - June 2020 have also been released.

This Bulletin for the quarter ending December 2021 is the thirteenth in the series.

#### 1.2 Indicators presented in this Bulletin

1.2.1 In this Bulletin indicators of employment and unemployment in current weekly status (CWS) are presented for the urban areas separately for the periods:

- October – December 2020
- January – March 2021
- April – June 2021
- July – September 2021
- October – December 2021

---

<sup>1</sup>The 'Concepts and Definitions', 'Sample Design and Estimation Procedure' and Schedule of PLFS (Schedule 10.4) (first visit and revisit) may be perused as Chapter Two, Appendix D and Appendix E, respectively in the Annual Report, PLFS: 2019-20, which is accessible at [www.mospi.gov.in](http://www.mospi.gov.in).

### **1.3 PLFS fieldwork during COVID-19 pandemic:**

The fieldwork of PLFS was suspended first time from 18.03.2020 due to COVID-19 pandemic, and was resumed in June 2020 with the pending samples for this period. Subsequently due to the 2<sup>nd</sup> wave of Covid-19, the field work of PLFS was again suspended in April 2021 in most parts of the country, and was gradually resumed in the first week of June 2021 with Covid-19 related restrictions. This, therefore, had a spill-over effect in completion of pending field work during the October-December, 2021 Quarter.

Although schedules were canvassed later, on both occasions of resumption of field work, the information was asked with respect to the actual reference period which would have been adopted if there were no pandemic. Thus, there was no break in the flow of information collected for any quarter except that informants were approached at a later date due to the unavoidable situation. Field work for collection of information in respect of the FSUs allotted for the quarter October-December, 2021 was completed by 31.01.2022 for the first visit samples and by 31.12.2021 for revisit samples.

Since the resumption of fieldwork in June 2021, canvassing of revisit schedules were undertaken in telephonic mode as per actual reference periods of the samples. The telephonic mode was adopted in order to minimize the physical interaction with informants so as to contain spread of COVID virus and to cope up with pandemic related restrictions. For about 96.06% of the revisit schedules for the period October-December, 2021, information was collected over the telephone.

These aspects may be kept in mind while using the estimates of PLFS for the concerned quarters.

## 2. Key findings

### 2.1 Labour Force Participation Rate (LFPR) in current weekly status

2.1.1 Labour force refers to the part of the population which supplies or offers to supply labour for pursuing economic activities for the production of goods and services and therefore, includes both ‘employed’ and ‘unemployed’ persons. Labour Force Participation Rate (LFPR) is defined as the percentage of population in the labour force. Labour force according to *current weekly status* (CWS) is the number of persons either employed or unemployed on an average in a week of 7 days preceding the date of survey. In Statement 1, estimates of LFPR in CWS are presented.

| Statement 1: Labour Force Participation Rate ( in per cent) in CWS in urban areas |                    |        |                                |

## 2.2 Worker Population Ratio (WPR) in current weekly status

2.2.1 Worker Population Ratio (WPR) is defined as the percentage of workers in the population. The workforce measured in CWS gives the average picture of the workforce in a short period of one week during the survey period. The estimate of workforce in the CWS provides the number of persons who worked for at least 1 hour on any day during the 7 days preceding the date of survey. In Statement 2, estimates of WPR in current weekly status are presented.

| Statement 2: Worker Population Ratio ( in per cent) in CWS in urban areas |                    |        |                                |
|---|--------------------|--------|--------------------------------|
| survey period   | male <sup>\$</sup> | female | all-India person <sup>\$</sup> |
| (1)   | (2)                | (3)    | (4)                            |
| age: 15-29 years  |                    |        |                                |
| October – December 2020   | 44.4               | 12.1   | 28.8                           |
| January – March 2021  | 45.2               | 12.9   | 29.6                           |
| April – June 2021   | 43.6               | 11.9   | 28.5                           |
| July – September 2021   | 45.1               | 12.6   | 29.5                           |
| October – December 2021   | 46.4               | 12.6   | 30.3                           |
| age: 15 years and above   |                    |        |                                |
| October – December 2020   | 66.7               | 17.9   | 42.4                           |
| January – March 2021  | 67.2               | 18.7   | 43.1                           |
| April – June 2021   | 64.2               | 17.2   | 40.9                           |
| July – September 2021   | 66.6               | 17.6   | 42.3                           |
| October – December 2021   | 67.8               | 18.1   | 43.2                           |
| age: all ages   |                    |        |                                |
| October – December 2020   | 52.0               | 14.3   | 33.5                           |
| January – March 2021  | 52.5               | 14.9   | 34.0                           |
| April – June 2021   | 50.3               | 13.8   | 32.4                           |
| July – September 2021   | 52.1               | 14.0   | 33.4                           |
| October – December 2021   | 52.9               | 14.3   | 33.9                           |

*\$: includes Transgender*

### 2.3 Distribution of workers in current weekly status by broad status in employment

2.3.1 The workers in current weekly status are classified into three broad categories according to their status in employment. These broad categories are: (i) *self-employed*, (ii) *regular wage/salaried employee* and (iii) *casual labour*. Within the category of *self-employed* two sub-categories have been made as follows: (i) *own account worker and employer* combined together and (ii) *unpaid helper in household enterprises*. In Statement 3, distribution of the workers of age 15 years and above in CWS by status in employment are presented. It may be noted that self-employed persons who did not work either due to sickness or due to other reasons though they had self-employment work are included in column 4 of this Statement. Thus, the estimates given in column 4 may be higher than the sum of the estimates in column 2 and column 3.

Statement 3: Percentage distribution of persons (of age 15 years and above) working according to CWS by broad status in employment in urban areas

| survey period           | status in employment         |                                |               |                                 |               | all   |
|-------------------------|------------------------------|--------------------------------|---------------|---------------------------------|---------------|-------|
|                         | own account worker, employer | helper in household enterprise | self employed | regular wage/salaried employees | casual labour |       |
| (1)                     | (2)                          | (3)                            | (4)           | (5)                             | (6)           | (7)   |
| all-India               |                              |                                |               |                                 |               |       |
| male <sup>s</sup>       |                              |                                |               |                                 |               |       |
| October – December 2020 | 34.9                         | 4.1                            | 39.9          | 46.9                            | 13.2          | 100.0 |
| January – March 2021    | 35.1                         | 4.1                            | 40.0          | 46.4                            | 13.6          | 100.0 |
| April – June 2021       | 31.1                         | 3.7                            | 41.7          | 47.3                            | 11.0          | 100.0 |
| July – September 2021   | 35.3                         | 4.1                            | 40.1          | 46.7                            | 13.2          | 100.0 |
| October – December 2021 | 35.4                         | 4.2                            | 40.1          | 46.4                            | 13.5          | 100.0 |

## 2.4 Distribution of workers in current weekly status by broad industry of work

2.4.1 Three broad industries of work which have been considered here are agriculture sector (NIC-2008 codes 01-03), secondary sector including mining and quarrying (NIC-2008 codes 05-43) and tertiary sector (NIC-2008 codes 45-99). Distribution of workers of age 15 years and above in CWS, in these three broad industries of work are in Statement 4.

## 2.5 Unemployment Rate (UR) in current weekly status

2.5.1 *Unemployment rate* (UR) is defined as the percentage of unemployed persons in the *labour force*. The estimates of unemployed in CWS give an average picture of unemployment in a short period of 7 days during the survey period. According to the *current weekly status* (CWS) approach, a person was considered as unemployed in a week if he/she did not work even for 1 hour on any day during the reference week but sought or was available for work at least for 1 hour on any day during the reference week. In Statement 5, estimates of Unemployment Rate in CWS for the periods are presented.

| Statement 5: Unemployment Rate ( in per cent) in current weekly status in urban areas |                   |        |                               |

### 3. Sample Size

**3.1 Sample Size in urban areas in each of the survey period October – December 2020, January – March 2021, April – June 2021, July – September 2021 and October-December 2021:** In urban areas, a rotational panel sampling design was used and in this rotational panel scheme each selected household in urban areas is visited four times – one with first visit schedule and other three with revisit schedule. In the Table below, the sample size in terms of FSUs (Urban Frame Survey blocks), households and persons in urban areas is given, separately for each of the survey period October – December 2020, January – March 2021, April – June 2021, July – September 2021 and October-December 2021. It may be noted that in each of these periods, besides the first visit sample (25 per cent of total sample size), samples in respect to three revisits (75 per cent of total sample size) were also surveyed.

| Table : Sample size in urban areas in each of the Survey period October – December 2020, January – March 2021, April – June 2021, July – September 2021 and October-December 2021 all-India |                   |           |          |
|---|-------------------|-----------|----------|
| survey period   | FSU (UFS blocks#) | household | person   |
| October- December 2020  | 5,563             | 43,693    | 1,71,553 |
| January – March 2021  | 5,601             | 44,000    | 1,72,484 |
| April – June 2021   | 5,619             | 43,892    | 1,70,187 |
| July- September 2021  | 5,676             | 44,272    | 1,71,405 |
| October- December 2021  | 5,691             | 44,553    | 1,72,944 |
| #: Urban Frame Survey (UFS) blocks  |                   |           |          |

3.2 Considering low sample sizes for giving estimates at different levels of disaggregation, the tables are presented in respect of Andhra Pradesh, Assam, Bihar, Chhattisgarh, Gujarat, Haryana, Himachal Pradesh, Jammu & Kashmir, Jharkhand, Karnataka, Kerala, Madhya Pradesh, Maharashtra, Odisha, Punjab, Rajasthan, Tamil Nadu, Telangana, Uttarakhand, Uttar Pradesh, West Bengal and Delhi. It may be noted that the figures for Jammu & Kashmir for quarters prior to July – September, 2021 included Ladakh while those corresponding to the quarters July – September, 2021 and October-December 2021 do not include Ladakh.

Note:

1. \$: includes Transgender

2. \* Jammu & Kashmir being a larger UT, the estimates of Jammu & Kashmir excluding Ladakh are provided for the quarters July - September 2021 and October-December 2021. However, these estimates are not comparable with previous quarter's estimates given against Jammu & Kashmir which include Ladakh also.

**Table (3): Worker Population Ratio (WPR) (in per cent) according to current weekly status for different States**

**Note:**

1. \*: Nil or negligible sample size/value of estimates

2. #: It may be noted that self-employed persons who did not work either due to sickness or due to other reasons though they had self-employment work are included in column 4. Thus, the estimates given in column 4 may be higher than the sum of the estimates in column 2 and column 3.

3. \$: includes Transgender

4. The Table gives the distribution of the persons who were surveyed in both the adjacent quarters

**Note:**

1. \*: Nil or negligible sample size/value of estimates

2. #: It may be noted that self-employed persons who did not work either due to sickness or due to other reasons though they had self-employment work are included in column 4. Thus, the estimates given in column 4 may be higher than the sum of the estimates in column 2 and column 3.

3. \$: includes Transgender

4. The Table gives the distribution of the persons who were surveyed in both the adjacent quarters

Note:

1. <sup>s</sup>: includes Transgender

2. \* Jammu & Kashmir being a larger UT, the estimates of Jammu & Kashmir excluding Ladakh are provided for the quarters July - September 2021 and October-December 2021.

However, these estimates are not comparable with previous quarter's estimates given against Jammu & Kashmir which include Ladakh also.

| Table (7): Unemployment Rate (UR) (in per cent) according to current weekly status for different States |                       |                    |                 |                     |                       |                       |                    |                 |                     |                       |                       |                    |                 |                     |                       |

Note:

1. \$: includes Transgender

2. \* Jammu & Kashmir being a larger UT, the estimates of Jammu & Kashmir excluding Ladakh are provided for the quarters July - September 2021 and October-December 2021.

However, these estimates are not comparable with previous quarter's estimates given against Jammu & Kashmir which include Ladakh also.

Table (7): Unemployment Rate (UR) (in per cent) according to current weekly status for different States

| age group: all   |                       |                    |                 |                     |                       |                       |                    |                 |                     |                       |                       |                    |                 |                     |                       |

Note:

1. \$: includes Transgender

2. \* Jammu & Kashmir being a larger UT, the estimates of Jammu & Kashmir excluding Ladakh are provided for the quarters July - September 2021 and October-December 2021.

However, these estimates are not comparable with previous quarter's estimates given against Jammu & Kashmir which include Ladakh also.

**Note:**

1.\$: includes Transgender

2. \* Jammu & Kashmir being a larger UT, the estimates of Jammu & Kashmir excluding Ladakh are provided for the quarters July - September 2021 and October-December, 2021. However, these estimates are not comparable with previous quarter's estimates given against Jammu & Kashmir which include Ladakh also.

**Table (2RSE): RSE (in per cent) for Worker Population Ratio (WPR) according to current weekly status for different States**

age group: 15 years and above

urban

**Note:****1.\$: includes Transgender****2. \* Jammu & Kashmir being a larger UT, the estimates of Jammu & Kashmir excluding Ladakh are provided for the quarters July - September 2021 and October-December, 2021. However, these estimates are not comparable with previous quarter's estimates given against Jammu & Kashmir which include Ladakh also.**

## FEEDBACK FORM

1. **Name** (optional):

2. **email id** (optional) :

3. **Your field of Work:** (please tick (✓) the relevant)

- (a) Govt Sector                      (b) Corporate Sector                      (c) Research                      (d) Civil Services  
(e) NGO                      (f) Education                      (g) Art & Culture                      (h) Media  
(i) Business                      (j) Student

4. Please mention the report/publication you are commenting on:

---

### CONTENT

5. How useful/relevant is the Quarterly Bulletin for your professional interests [please tick (✓) the relevant]

- (a) very useful                      (b) Moderately Useful                      (c) not at all useful

6. How useful/relevant is the Quarterly Bulletin for your personal interests [please tick (✓) the relevant]

- (a) very useful                      (b) Moderately Useful                      (c) not at all useful

### PRESENTATION

7. How do you find style of presentation of information of the Quarterly Bulletin? [please tick (✓) the relevant]

- (a) Excellent                      (b) Very Good                      (c) fair                      (d) not good at all

### ACCESSIBILITY

8. How easy was it to access the Quarterly Bulletin?

- (a) Very easy                      (b) Moderately easy                      (c) difficult

### 9. ADDITIONAL COMMENTS

**Please note:** These comments may be used for internal and external promotional purposes but will not be attributed to the person making them, unless explicitly agreed to this in writing. (please add extra sheet if required)
