National Career Service is a Mission Mode Project launched by the Hon'ble Prime Minister, Shri Narendra Modi on 20th July, 2015. It is a one-stop solution that provides a wide array of employment and career related services to the citizens of India. National Career Service is a vibrant platform which aims to transform and strengthen the public employment services in the country. It brings together Job Seekers, Employers, Skill Providers, Career Counsellors, Local Service Providers (LSP's), Career Centers, Placement Organizations, Households and Government Departments on a common platform through the efficient use of information technology.

- Easy accessibility of employment services like staffing, placement and recruitment to all the stakeholders
- Enhancing employability of the workforce by providing them information on training & skilling
- Provisioning of career counselling services
- Self-help & assessment tools of capabilities & vocational guidance services to jobseekers
- Providing information related to job profiles, career paths & employers
- PAN verified institutions and rich database of job seekers
- Career planning and rich career content on over 3500 occupations across 52 sectors
- NCS has partnerships with various private organizations like Freshersworld, Monster, Quikr, etc. and the data exchange on the portal helps connecting job seekers with more number of prospective employers.
- In total 170 Model Career Centres (MCCs) have been set up across the country till now.
- National Career Service Centres for Differently Abled (NCSC-DA) are being run by DGE across the country.
- National Career Service Centres for SCs and STs (NCSC – SCs/STs) for providing employment related training and guidance are also being run by DGE.
- NCS has a multi lingual call center where the users can call the NCS Toll Free Number 1800-425-1514 for any support. The services of the call center are available from Tuesday to Sunday from 8:00 AM to 8:00 PM in seven different languages i.e. Hindi, English, Bengali, Kannada, Malayalam, Tamil and Telugu.

As on 28th February, 2020, a total of 10,947,834 active jobseekers are presently registered on the NCS Portal. More than 52,812 employers are registered on the portal and the active vacancies currently available are 3, 16, 397.

Some of the recent features & developments of the NCS Project are:

- NCS has been recently integrated with AISHE, Ministry of Human Resource Development (MoHRD), Govt. of India. Under this, final year students of the affiliated colleges/institutions under All India Survey on Higher Education (AISHE) are being registered on the NCS Portal through Online Functionality. This linkage would help students with all kinds of employment related services such as career counselling, job fairs, job search, career information etc.
- NCS has integrated with DigiLocker to enable hassle free uploading and access of documents by its registered users. DigiLocker is a Government of India initiative that provides storage space to upload and/or access important documents anywhere, anytime. This facility is beneficial for stakeholders such as Jobseekers, Employers, Placement Organization, Government Department, Local Service Provider and Counsellor on NCS Portal.
- NCS has also integrated with AICTE, Ministry of Human Resource Development (MoHRD), Govt. of India. Under this, final year students of the affiliated colleges/institutions under All India Council for Technical Education (AICTE) are being registered on the NCS Portal through Offline Functionality. Over 1 lakh students have already been registered on the portal by various institutions till now.
- NCS has also launched its Mobile Application for helping users in finding jobs in an easier way (<https://play.google.com/store/apps/details?id=com.app.NCSAndroid>). Till 28th February, 2020, a total of 1, 61, 350 people have installed NCS App till now and taking benefits of the same.
- Employer Rating Module has been introduced on the NCS Portal wherein the top 5 employers are featured on NCS Home Page every month.
- NCS is making consistent and considerable efforts in a direction where women of our country can search multiple job opportunities by simply clicking on “Jobs for Women” option on the NCS Portal.
- NCS Project pays special attention to the Persons with Disabilities (PwDs) by giving them an option of Job Search under “Services for Differently Abled” tile on the NCS Portal.
- Frequent online alerts and notification are being sent to the users of the portal.
- Now, Jobseekers can also watch videos on various career sectors and their job roles for the detailed information of the same to enhance their knowledge and perspective. The user simply has to click on “Career Information/Assessment Tests” Tile and select “Career Information” under that.

With an objective to enhance employability among youth pursuing Higher Education, NCS has recently integrated with All India Survey on Higher Education (AISHE), Ministry of Human Resource Development. AISHE was initiated by Ministry of Human Resource Development which comprised robust database of all the higher education institutions of the country.

Under this integration of NCS with AISHE, final year students of various higher education universities/colleges/institutions have been registering on the NCS Portal by using online functionality. This collaboration will enable final year students in respective institutions to access information on employment and career related activities through NCS Portal. Below mentioned are some of the salient features of NCS, which would help the final year students in numerous ways:

Career related services

Through an easy registration process, students can avail a wide spectrum of career related services such as search & apply for jobs on the basis of state, sector or other type, Job matching and Participation in upcoming training programmes/events. NCS also contains a rich knowledge repository of over 3500 job roles and career options for career related information required by students.

Counselling Services

National Career Service (NCS) creates a Network of Career Counsellors on its platform for the registered users. The career counselling services on the portal will help the students with further guidance in their respective fields so that they can continuously work on their skills and meet their career expectations.

Job Fairs and Events

The students can also take the benefit of attending upcoming Job Fairs & Events in their respective areas by clicking on the “Job Fairs & Events” section on the Home Page of the NCS Portal.

Skill Training

Students can also avail the benefits of various skill trainings and certificate courses which are provided by various skill providers registered on portal. One can also view the list of skill providers based on geography or the areas of interest.

As of now, more than 450 institutions have initiated registrations across the country. Over 10, 000 students have already been registered on NCS Portal by various institutions affiliated under AISHE. Moreover, maximum registrations are done in states such as Karnataka, Maharashtra, Tamil Nadu, Uttar Pradesh and Gujarat

National Career Service Portal (www.ncs.gov.in) aims to provide a platform where various stakeholders (Employers, Jobseekers, Local Service Providers, Government Departments, Placement Organizations, Counsellors) interact for exchange of career and employment related opportunities. To achieve this overall goal, career centers have been developed in various regions i.e. Eastern, North – Eastern, Northern, Southern, Central, Western across the country.

Career Centers act as a real exchange platform for jobseekers with all possible job opportunities in a transparent and effective manner through the use of technology as well as counselling and training. These Career Centres are developed in Employment Exchanges, Model Career Centres, National Career Service Centre for ST/SC, National Career Service Centre for Differently Abled (NCSCDA), State Universities, National Institute of Electronics & Information Technology (NIELIT), University Employment Information and Guidance Bureau (UEIGB) and many more. As of now, many career centers have been established and broadly performing below mentioned activities:

- Registering jobseekers on the NCS Portal and connects them with numerous available services of the portal for their overall career development
- Mobilizing employers and other placement agencies to connect with NCS for meeting their HR requirements
- Providing Career Guidance as well as Counselling to the youth visiting the Centers
- Performing outreach activities in schools/colleges and various training institutions and disseminate information on training programmes, career schemes and job opportunities available in the current market
- Conducting Job Fairs/Placement Drives/Recruitment Drives etc. to bridge the gap between Jobseekers and Employers for various job vacancies available in the Industry sectors

At present, more than 9 lakh jobseekers have been registered on the NCS Portal through these Career Centers across the country. By actively connecting jobseekers to the portal, these career centers are playing a pivotal role in achieving the overall goal of NCS Project by providing right opportunities to the youth at the right time.

To avail all such career related services, a person can easily find the career center near to his/her location. To search a Career Centre, simply login to NCS Portal (www.ncs.gov.in) and click “Select Category” from the “Search” drop down available on the Home Page and choose “Find Career Centers” option

Indian textiles and apparels have a history of fine craftsmanship and global appeal. Cotton, silk and denim from India are highly popular abroad, and with the upsurge in Indian design talent, Indian apparel too has found success in the fashion centres of the world.

India is the world's second-largest exporter of textiles and apparels, with a massive raw material and manufacturing base. India's share in global trade of textiles and apparels was approximately 5 per cent. The textile industry is a significant contributor to the economy, both in terms of its domestic share and exports. It contributes about seven per cent to industry output, two per cent to the GDP and 15 per cent to the country's total exports earnings. The sector is one of the largest sources of job creation in the country, employing about 45 million people directly.

Main markets for Indian apparel exports are USA, European Union, Parts of Asia and Middle East. In the future, India's apparel exports are expected to increase considerably. Total exports of textiles and apparel are expected to touch US\$ 82 billion by 2021 with CAGR of 12.06 per cent. To promote exports of readymade garments and made Ups, Government of India increased Merchandise Export from India Scheme (MEIS) rates from 4 to 6 per cent under the Mid-Term Review of Foreign Policy 2015-20. – (Source: India Brand Equity Foundation, www.ibef.org)

JOBSEEKERS

We are happy to share few success stories of the jobseekers, who have been empowered through employment and other career related services of NCS.

Thank you NCS for bringing TCS AAP Training Programme in my location

I am Chikrotolu Yhobu from Kohima, Nagaland. I came to know about TCS Affirmative Action Training Programme organized under National Career Service through our local newspaper (Nagaland Post). I eagerly took this opportunity and enrolled myself for this training programme. This programme largely helped me to learn Corporate Etiquettes and Soft Skills Communication, Basic Computer Skills, Resume Building, Interview Facing Skills, Analytical, Reasoning Skills and Inter Personality Skills. I never thought of seeing myself with so much confidence of getting selected in this job interview. I am pleased to share that I have successfully secured a job position of “Trainee” in TCS. I am thankful to NCS for providing such good opportunity to the unemployed youth where they can learn as well as get employed through the placement oriented training programmes.

Thankful to NCS & NCSCDA, Bhubaneswar for providing guidance to enhance my skills

As a trainee, I look back at my time in National Career Service Centre for Differently Abled (NCSCDA), Bhubaneswar as a great experience. I am extremely thankful to NCS as well as NCSCDA for providing support and encouragement to pursue a Training Programme in Integrated Course in Hair, Skin and Makeup as per my interest area. This training programme has provided vast theoretical as well as practical exposure in terms of shaping up my skills, which is much required in today's competitive world.

After completion of this training programme, I got an employment opportunity in VISHAL Mega Mart as a Sales Executive, and happily contributing to my family.

JOBSEEKERS

“NCS Portal is extremely beneficial for jobseekers seeking various employment related services” says Abhinash Ghosh

I am glad to be placed as a Customer Support Technician in Upayas Infotech Pvt. Ltd. through NCS Portal. My name is Abhinash Ghosh hails from West Bengal. Soon after completing my Higher Secondary Education, I was eagerly looking for a job opportunity. One day, I went to the Employment Exchange of my area for the renewal of Employment Registration ID Card, there only I was apprised about National Career Service Project and the services given by its portal. I immediately registered myself on this portal and was able to see so many job opportunities in my preferred location.

I am wholeheartedly thankful to NCS Portal for making me employable and financially independent. I would also like to add that this portal is extremely beneficial for all the jobseekers who are seeking various employment related services

“NCS is doing tremendous work for the youth betterment” says Shubham Verma

I am Shubham Verma from Mhow, Madhya Pradesh. I pursued MCA from International Institute of Professional Studies, DAVV, Indore. Though, I was already working but was keen to find a better job opportunity in my career field. While searching for a new opportunity, I got the information about National Career Service as well as Model Career Centre – DAVV, Indore from the Placement Cell of my previous college. Thereafter, I attended the Placement Drive conducted by MCC – DAVV, Indore and got selected for the position of “Android Application Developer” in Mind-e-fy Solutions company.

I am whole heartedly thankful to the team of Model Career Centre – DAVV, Indore for providing this wonderful job opportunity. I would like to add that NCS is doing a tremendous work in the direction of youth betterment and employability.
