STATEMENT REFERRED TO IN REPLY TO PARTS (a) & (b) OF RAJYA SABHA STARRED QUESTION NO. \*110 DUE FOR REPLY ON 13-02-2019 BY SHRI P. BHATTACHARYA, M.P. REGARDING "EMPLOYMENT GENERATION IN URBAN AREAS".

(a) & (b): The Ministry of Housing and Urban Affairs is implementing a Centrally Sponsored Scheme viz. "Deendayal Antyodaya Yojana- National Urban Livelihoods Mission (DAY-NULM)" in the statutory towns to reduce poverty and vulnerability of urban poor households by enabling them access to gainful selfemployment and skilled wage employment opportunities, for improvement in their livelihoods on a sustainable basis. Some of the components under DAY-NULM apart from skill development are as follows:

- (i) Social Mobilization and Institution Development (SM&ID): This component envisages universal social mobilization of urban poor into Self-Help Groups (SHGs) and their federations. SHGs may consist of 10 to 20 members. These groups serve as a support system for the poor to meet their financial and social needs. Normally, women SHGs are be formed, however, male SHGs of differently-abled persons or those in vulnerable occupations like rag-pickers, sanitation workers etc. are allowed to be formed. An amount of Rs. 10,000 can be spent per SHG for its formation, handholding, training of the members, bank linkage, formation of federation and other related activities.
- (ii) Self-Employment Programme (SEP): This component focuses on financial assistance to individuals/groups/SHGs of urban poor for setting up gainful self-employment ventures or micro-enterprises. Interest subvention is provided at the rate over and above the ROI of 7% on the bank loans sanctioned for the individual/group micro-enterprises. Further, an additional 3% interest subvention is provided to women Self Help Groups (SHGs) on timely repayment of loans.
- (iii) Support to Urban Street Vendors (SUSV): This component addresses the livelihood concerns of the urban street vendors by facilitating survey, issue of certificates and identity cards, creation of required physical infrastructure for vending zones, pro-vendor urban planning and provision of skills to urban street vendors for accessing emerging market opportunities.

Employment generation coupled with improving employability is the priority concern of the Government. Pradhan Mantri Rojgar Protsahan Yojana (PMRPY) was launched on 9<sup>th</sup> August, 2016 with the objective to incentivise employers for creation of employment. Under the scheme, Government of India is paying Employer's full contribution i.e. 12% towards EPF and EPS both (as admissible from time to time) for a period of three years to the new employees through EPFO. The scheme is targeted for employees earning upto Rs. 15,000 per month. Till 4<sup>th</sup> February, 2019, benefits have been given to 1.31 lakh establishments covering 1.06 crore beneficiaries.

Pradhan Mantri Mudra Yojana (PMMY) has been initiated by Government for facilitating self-employment. Under PMMY collateral free loans upto Rs. 10 lakh, are extended to small/micro business enterprises and to individuals to enable them to setup or expand their business activities. Till 25<sup>th</sup> January, 2019, total 15.59 crore loans have been sanctioned under the scheme.
