ANSWER

**MINISTER OF STATE FOR LABOUR AND EMPLOYMENT
(SHRI RAMESWAR TELI)**

(a) to (e): Employment generation coupled with improving employability is the priority of the Government. Accordingly, the Government of India has taken various steps for generating employment in the country.

Investments in Infrastructure and productive capacity have a large multiplier impact on growth and employment. The budget of 2023-24 proposed to increase capital investment outlay steeply for the third year in a row by 33 per cent to Rs 10 lakh crore, which would be 3.3 per cent of GDP. This substantial increase in recent years is central to the government's efforts to enhance growth potential and job creation.

The Government of India has announced Aatmanirbhar Bharat package to provide stimulus to business and to mitigate the adverse impact of Covid-19. Under this package, the Government is providing fiscal stimulus of more than Rupees Twenty Seven lakh crore. This package comprises of various long term schemes/programmes/policies for making the country self-reliant and to create employment opportunities.

The Aatmanirbhar Bharat Rojgar Yojana (ABRY) was launched with effect from 1st October, 2020 to incentivize employers for creation of new employment and restoration of loss of employment during Covid-19 pandemic. The terminal date for registration of beneficiaries was 31.03.2022. There is no specific State-wise allocation of funds under the scheme. During the financial year 2023-24, an amount of Rs. 2272.82 Crore has been allocated under the scheme. Since launch of the scheme, as on 08.07.2023, benefits of Rs. 9552.08 Crore has been provided to 60.42 lakh beneficiaries through 1.52 lakh establishments in the country. State/UT-wise progress of the scheme is at Annexure-I.

Government is implementing Prime Minister Street Vendor's AtmaNirbhar Nidhi (PM SVANidhi Scheme) since June 01, 2020 to facilitate collateral free working capital loan to street vendors to restart their businesses, which were adversely impacted during the Covid-19 pandemic. State/UT-wise progress of the scheme is at Annexure-II.

Pradhan Mantri Mudra Yojana (PMMY) was launched by the Government for facilitating self-employment. Under PMMY, collateral free loans upto Rs. 10 lakh, are extended to micro/small business enterprises and to individuals to enable them to setup or expand their business activities. As on 30.06.2023, under PMMY, 42.20 crore loans amounting to Rs.24.34 lakh crore have been extended to all category of entrepreneurs in the country, since inception of the Scheme, i.e., 08.04.2015. State-wise data of the scheme for the last 5 years is at Annexure-III.

The Production Linked Incentive (PLI) schemes is being implemented by the Government with an outlay of Rs. 1.97 lakh crore, for a period of 5 years starting from 2021-22 which have potential for creating 60 lakh new jobs.

PM GatiShakti is a transformative approach for economic growth and sustainable development. The approach is driven by seven engines, namely, Roads, Railways, Airports, Ports, Mass Transport, Waterways and Logistics Infrastructure. This approach is powered by Clean Energy and Sabka Prayas leading to huge job and entrepreneurial opportunities for all.

The Government of India is encouraging various projects involving substantial investment and public expenditure on schemes like Prime Minister's Employment Generation Programme (PMEGP), Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS), Pt. Deen Dayal Upadhyaya Grameen Kaushalya Yojana (DDU-GKY) and Rural Self Employment Training Institutes (RSETIs) etc. for employment generation in the country. State-wise details of the progress of the schemes and funds allocated/utilised/ disbursed for the last five years are at Annexure-IV-X.

Further, Ministry of Housing and Urban Affairs is implementing a centrally sponsored scheme namely "Deendayal Antyodaya Yojana – National Urban Livelihoods Mission (DAY-NULM)" to reduce poverty and vulnerability of urban poor households on a sustainable basis. Mission, inter-alia, aims to enabling urban poor to access gainful self-employment and skilled wage employment opportunities through skill training in market oriented courses under the Employment through Skill Training & Placement (EST&P) component. Also, financial assistance is provided to individuals/ groups/ Self Help Groups (SHGs) of urban poor for setting up gainful self-employment ventures or micro-enterprises. A statement showing the number of skill trained candidates placed and number of beneficiaries assisted for setting up Individual/ Group micro enterprises and Central fund released under DAY-NULM during the last five years i.e. 2018-19 to 2022-23, State-wise is at Annexure-XI-XIII.

Besides these initiatives, various flagship programmes of the Government such as Make in India, Start-up India, Stand-up India, Digital India, Housing for All etc. are also oriented towards generating employment opportunities in the country.

All these initiatives are expected to collectively generate employment in the medium to long term through multiplier-effects.
