ANSWER

**MINISTER OF STATE FOR LABOUR AND EMPLOYMENT
(SHRI RAMESWAR TELI)**

(a) to (c) : The data on Employment and Unemployment is collected through Periodic Labour Force Survey (PLFS) conducted by National Statistical Office (NSO), Ministry of Statistics & Programme Implementation (MoSPI) since 2017-18. As per the latest available annual report for the year 2019-20, the year-wise estimated Worker Population Ratio (WPR), and Unemployment Rate (UR) on usual status for age 15 years and above during 2017-18, 2018-19 and 2019-20 are given below:

Years	2017-18	2018-19	2019-20
Worker Population Ratio (WPR) (in %)	46.8	47.3	50.9
Unemployment Rate (UR) (in %)	6.0	5.8	4.8

PLFS Survey indicates that while WPR has increased during 2017-18 to 2019-20, the Unemployment rate has decreased during this period.
