A new Ministry of Skill Development and Entrepreneurship has been established to coordinate the skill development schemes across various sectors. The Equal Remuneration Act, 1976 provides for payment of equal remuneration to men and women workers for same work or work of similar nature without any discrimination. Further, under the provisions of the Minimum Wages Act, 1948, the wages fixed by the appropriate Government are equally applicable to both male and female workers and the Act does not discriminate on the basis of gender.

Employment generation coupled with improving employability is the priority of the Government. Under this scheme, Government is paying entire employer's contribution (12% or as admissible) towards EPF and EPS for all eligible new employees for all sectors for 3 years.

Pradhan Mantri Mudra Yojana (PMMY) has been initiated by Government inter alia, for facilitating self-employment. Under PMMY collateral free loans uptoRs. 10 lakh, are extended to micro/small business enterprises and to individuals to enable them to setup or expand their business activities.

Pradhan Mantri Kaushal Vikas Yojana (PMKVY) is the flagship scheme of the Ministry of Skill Development & Entrepreneurship (MSDE). The objective of this Skill Certification Scheme is to enable a large number of Indian youth to take up industry-relevant skill training that will help them in securing a better livelihood and to meet their employment requirement.

The Ministry of Women and Child Development runs various programmes to promote economic empowerment of women including single earning mothers to sustain their family through policies and programmes cutting across sectors.
