- (e) the details of employment opportunities provided as a result of implementation of these schemes in the country, State-wise during the last three years?**

ANSWER

**MINISTER OF STATE FOR LABOUR AND EMPLOYMENT
(SHRI RAMESWAR TELI)**

(a) to (e): Employment generation coupled with improving employability is the priority of the Government. Accordingly, the Government of India has taken various steps for generating employment in the country.

Investments in Infrastructure and productive capacity have a large multiplier impact on growth and employment. The budget of 2023-24 proposed to increase capital investment outlay steeply for the third year in a row by 33 per cent to Rs 10 lakh crore, which would be 3.3 per cent of GDP. This substantial increase in recent years is central to the government's efforts to enhance growth potential and job creation.

The Government of India has announced Aatmanirbhar Bharat package to provide stimulus to business and to mitigate the adverse impact of Covid-19. Under this package, the Government is providing fiscal stimulus of more than Rupees Twenty Seven lakh crore. This package comprises of various long term schemes/programmes/policies for making the country self-reliant and to create employment opportunities.

The Aatmanirbhar Bharat Rojgar Yojana (ABRY) was launched with effect from 1st October, 2020 to incentivize employers for creation of new employment and restoration of loss of employment during Covid-19 pandemic. The terminal date for registration of beneficiaries was 31.03.2022. Since inception of the scheme, till 11.03.2023, benefits have been provided to 60.31 lakhs beneficiaries under the scheme. State/UT-wise progress of the scheme is at Annexure-I.

Government is implementing Prime Minister Street Vendor's AtmaNirbhar Nidhi (PM SVANidhi Scheme) since June 01, 2020 to facilitate collateral free working capital loan to street vendors to restart their businesses, which were adversely impacted during the Covid-19 pandemic. State/UT-wise progress of the scheme is at Annexure-II.

Pradhan Mantri Mudra Yojana (PMMY) was launched by the Government for facilitating self-employment. Under PMMY, collateral free loans upto Rs. 10 lakh, are extended to micro/small business enterprises and to individuals to enable them to setup or expand their business activities. As on 24.02.2023, more than 39.65 crore loans with sanctioned amount of Rs. 22.41 lakh crore and disbursed amount of Rs. 21.83 lakh crore have been extended, since inception of the Scheme in April 2015. State-wise data since inception of the scheme is at Annexure-III.

The Production Linked Incentive (PLI) schemes is being implemented by the Government with an outlay of Rs. 1.97 lakh crore, for a period of 5 years starting from 2021-22 which have potential for creating 60 lakh new jobs.

PM GatiShakti is a transformative approach for economic growth and sustainable development. The approach is driven by seven engines, namely, Roads, Railways, Airports, Ports, Mass Transport, Waterways and Logistics Infrastructure. This approach is powered by Clean Energy and Sabka Prayas leading to huge job and entrepreneurial opportunities for all.

The Government of India is encouraging various projects involving substantial investment and public expenditure on schemes like Prime Minister's Employment Generation Programme (PMEGP), Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS), Pt. Deen Dayal Upadhyaya Grameen Kaushalya Yojana (DDU-GKY) and Deen Dayal Antodaya Yojana-National Urban Livelihoods Mission (DAY-NULM) etc. for employment generation in the country. Details of the progress of the schemes/ programme is at Annexure-IV-VII.

Besides these initiatives, various flagship programmes of the Government such as Make in India, Start-up India, Stand-up India, Digital India, Housing for All etc. are also oriented towards generating employment opportunities in the country.

All these initiatives are expected to collectively generate employment in the medium to long term through multiplier-effects.

As per the latest Annual Periodic Labour Force Survey (PLFS) conducted by the Ministry of Statistics & Programme Implementation (MoSPI), the estimated Worker Population Ratio (WPR) on usual status for persons of age 15 years and above was 50.9%, 52.6% and 52.9% during 2019-20, 2020-21 and 2021-22, respectively, which shows that employment in the country has an increasing trend.
