**Directorate General of Employment**

## FOREWORD

In pursuance of provisions of ILO (Employment Service) Convention 1948 (No.88), ratified by Government of India in June, 1959, Ministry of Labour & Employment (MoLE) is mandated to provide for free Public Employment Service (PES) under a national authority and to lay down standard policies and procedures in consultation with the States/ UTs for its smooth functioning.

Employment Service in India is provided through a network of Employment Exchanges/Career Centres running under the control of respective State /UT Government. In order to efficiently implement Public Employment Services there is a need to communicate with Directorates/Commissionerate's of Employment in all States/UTs frequently. Keeping this in view, Directorate General of Employment, M/o Labour & Employment has initiated preparation of an e-Directory of Employment Exchanges/Career Centres functioning throughout the country based on the inputs/information received from State/UT Directorates/Commissionerate's of Employment.

This e-Directory will not only cater to the needs of all Employment Officers working in Employment Exchanges/Career Centers across the country but will also be beneficial for different stakeholders to contact the concerned Employment Exchange/Career Centres functioning in any State/UT. Besides providing the full communication address, efforts have been made to incorporate the email-id and contact numbers of each and every Employment Exchange/Career Centre to the maximum possible extent based on the information received from respective State/UT offices. However, as the contact details are dynamic in nature, one may visit the website of respective State/UT Directorate/Commissionerate of Employment for validity and authenticity.
