ANSWER

MINISTER OF LABOUR AND EMPLOYMENT
(SHRI BHUPENDER YADAV)

(a) to (c): A Statement is laid on the Table of the House.

STATEMENT REFERRED TO IN REPLY TO PARTS (a) TO (c) OF LOK SABHA STARRED QUESTION NO. *219 DUE FOR REPLY ON 18.12.2023 BY SHRI HANUMAN BENIWAL REGARDING “PRIORITY TO LOCAL PEOPLE FOR EMPLOYMENT”

(a): The data on Employment and Unemployment is collected through Periodic Labour Force Survey (PLFS) conducted by the Ministry of Statistics and Programme Implementation (MoSPI) since 2017-18. The survey period is July to June every year. The latest available PLFS report is for the period July, 2022 to June, 2023.

As per the latest available Annual PLFS Reports, the estimated Unemployment Rate (UR) on usual status for persons of age 15 years and above in the country is 3.2% during 2022-23. In Rajasthan, the estimated Unemployment Rate (UR) on usual status for persons of age 15 years and above is 4.4% during 2022-23. The State/UT-wise estimated Unemployment Rate (UR) on usual status for the persons of age 15 years & above during the year 2022-23 are at Annexure.

(b) & (c): There is no such proposal under consideration of the Ministry. However, the Government of India has taken various steps to reduce the unemployment and for generating employment opportunities in the country, including for people in local areas.

The Government has launched Make in India initiative on September 25, 2014, to facilitate investment, foster innovation, building best in class infrastructure, and making India a hub for manufacturing, design and innovation. It is one of the unique 'Vocal for Local' initiatives that promoted India's manufacturing domain to the world. Further, the Government has taken steps to encourage “Make in India” and promote manufacturing and production of goods and services in India with a view to enhancing income and employment.

Investments in Infrastructure and productive capacity have a large multiplier impact on growth and employment. The budget of 2023-24 proposed to increase capital investment outlay steeply for the third year in a row by 33 per cent to Rs 10 lakh crore, which would be 3.3 per cent of GDP. This substantial increase in recent years is central to the government’s efforts to enhance growth potential and job creation.

The Government of India has announced Aatmanirbhar Bharat package to provide stimulus to business and to mitigate the adverse impact of Covid 19. Under this package, the Government has provided fiscal stimulus of more than Rupees Twenty-Seven lakh crore. This package comprises of various long-term schemes/ programmes/ policies for making the country self-reliant and to create employment opportunities.

The Aatmanirbhar Bharat Rojgar Yojana (ABRY) was launched with effect from 1st October, 2020 to incentivize employers for creation of new employment and restoration of loss of employment during Covid-19 pandemic. The terminal date for registration of beneficiaries was 31.03.2022. Since inception of the scheme, till 23.09.2023, benefits have been provided to 60.47 lakhs beneficiaries under the scheme.

The Government is implementing Prime Minister Street Vendor's AtmaNirbharNidhi (PM SVANidhi Scheme) since June 01, 2020 to facilitate collateral free working capital loan to street vendors to restart their businesses, which were adversely impacted during the Covid-19 pandemic. As on 23.11.2023, 78.08 lakh loans have been sanctioned under the scheme.

Pradhan Mantri Mudra Yojana (PMMY) was launched by the Government for facilitating self-employment. Under PMMY, collateral free loans upto Rs. 10 lakh, are extended to micro/small business enterprises and to individuals to enable them to setup or expand their business activities. As on 17.11.2023, more than 44.41 crore loan accounts sanctioned under the scheme.

The Production Linked Incentive (PLI) scheme is being implemented by the Government with an outlay of Rs. 1.97 lakh crore, for a period of 5 years starting from 2021-22 which have potential for creating 60 lakh new jobs.

PM GatiShakti is a transformative approach for economic growth and sustainable development. The approach is driven by seven engines, namely, Roads, Railways, Airports, Ports, Mass Transport, Waterways and Logistics Infrastructure. This approach is powered by Clean Energy and Sabka Prayas leading to huge job and entrepreneurial opportunities for all.

The Government of India is encouraging various projects involving substantial investment and public expenditure on schemes like Prime Minister's Employment Generation Programme (PMEGP), Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS), Pt. Deen Dayal Upadhyaya Grameen Kaushalya Yojana (DDU-GKY) and Deen Dayal Antodaya Yojana-National Urban Livelihoods Mission (DAY-NULM) etc. for employment generation. The Government is implementing a programme for skilling of rural youth for entrepreneurship development through Rural Self Employment and Training Institutes (RSETIs).

Further, the Ministry of Skill Development and Entrepreneurship (MSDE) is implementing the National Apprenticeship Promotion Scheme (NAPS), Pradhan Mantri Kaushal Vikas Yojana (PMKVY), Jan Shikshan Sansthan (JSS) Scheme and Craftsman Training Scheme (CTS) through Industrial Training Institutes (ITIs) to enhance the employability of youth.

Besides these initiatives, various flagship programmes of the Government such as Start-up India, Stand-up India, Digital India, Housing for All etc. are also oriented towards generating employment opportunities.

All these initiatives are expected to collectively generate employment in the medium to long term through multiplier-effects.
