It provides features such as physical verification, video profiling, and skill-based matching. Additionally, OTU offers a comprehensive database of job listings across various industries, enabling candidates to find and apply for positions that align with their skills and interests.

The **Mahaswayam Portal** integrates skilling, employment, and entrepreneurship, serving as a central hub for various stakeholders involved in the Skill India Mission. "Maha" represents Maharashtra, and "Swayam" means self. This initiative by the State Government unites students, youth, job seekers, employers, trainers, and entrepreneurs under one platform.
