Glimpse of Webinar on Navigating Career Growth in IT/ITeS sector: Strategies for Success (7th Aug 2024)

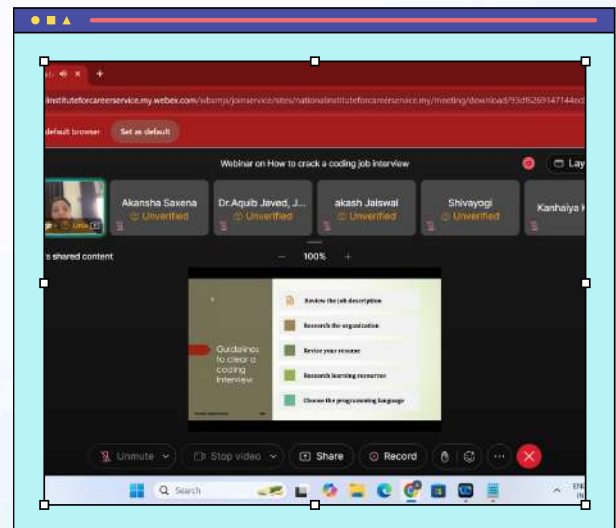

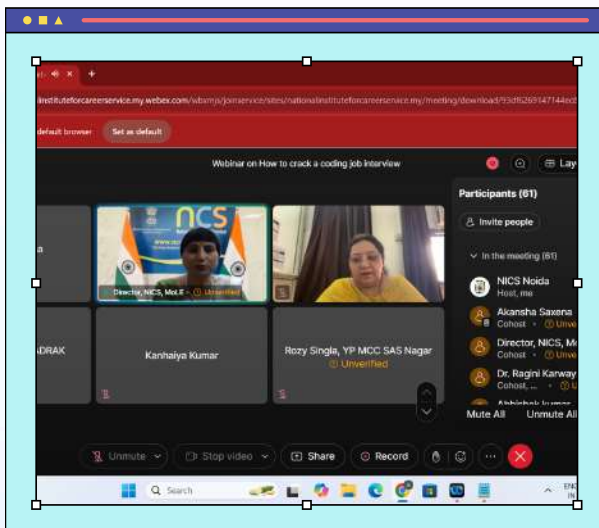

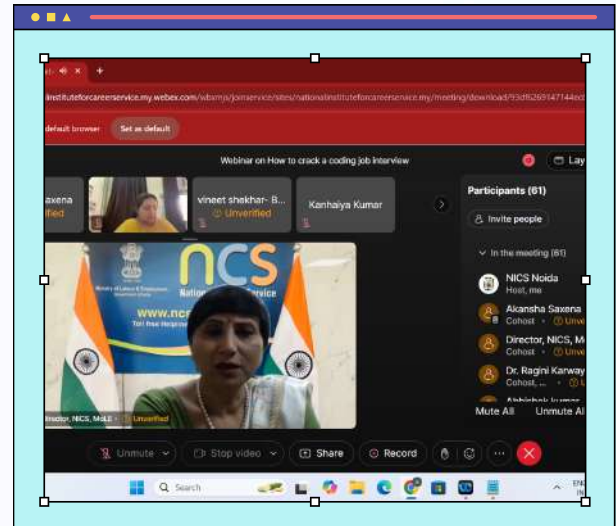

It has been proved that the employment opportunities in the IT sector are booming, favourable and heartening. The IT career opportunities and employment prospects are constructive, constant and worthwhile in both the short and long-term plans. The IT companies based in India are presently serving 2/3rd of the fortune 500 companies and have in the past created about 40 lakh jobs in India directly. In this session our expert Dr. Pooja Tripathi, Professor, Indraprastha Engineering College, guided the viewers on how to successfully navigate a career in IT/ITes sector.

Glimpse of Webinar on Webinar on How to crack interview for a coding job (21st Aug 2024)

Our world is increasingly digital, and skilled programmers are at the forefront of that development. coding is a great career choice and a skill that is still highly sought after in the professional market. The reason for that is the increasingly technological outlook that most industries are taking.

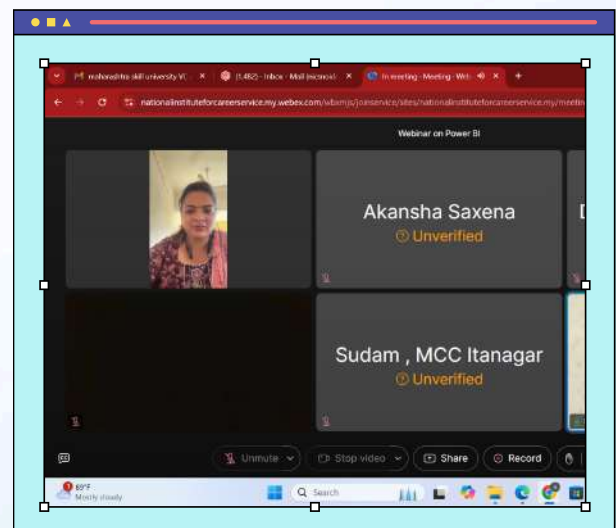

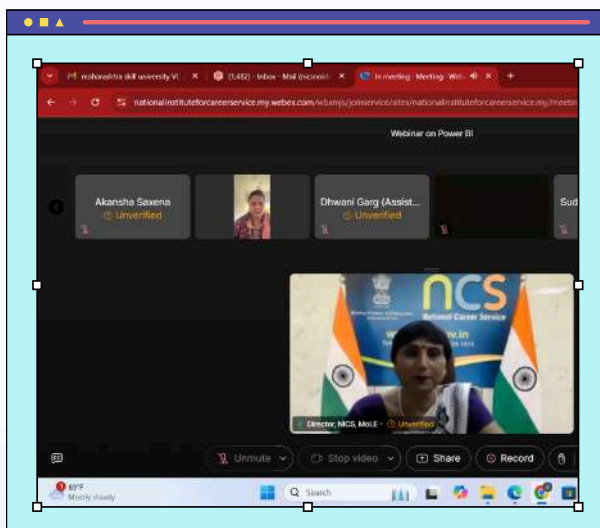

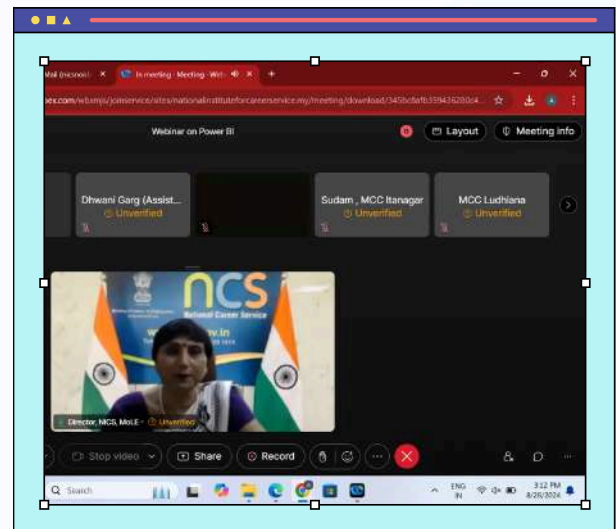

In this session our expert Dr. Ragini Karwayu, Professor, Indraprastha Engineering College helped the viewers with some do's and don'ts on how to crack an interview for a coding job.

Glimpse of Webinar on Power BI (28th Aug 2024)

Power BI is a popular tool for data visualization and analytics, and its use is growing across industries. This makes it a good career choice for people interested in data analytics, business intelligence, and data visualization.

In this session our expert Ms. Dhvani Garg, Assistant Professor, IMS Noida spilled the beans on how to learn Power BI and use it for career advancement.

Implementation of YP Scheme under NCS Project

YP Correspondence Management System

One of the key role of NICS is handling the formulation of YP Scheme and its implementation in the form of recruitment, deployment, capacity building, remuneration, and contract extensions for all Young Professionals across India. Accordingly, NICS is responsible for Deployment, transfer, resignation, training, leaves etc of YPs posted across India at MCCs. In the month of August 2024, with reference to YP Scheme following activities were under taken:

- A meeting has been conducted and a letter was issued to YPs directing them to conduct at least four capacity-building programs.
- Disbursed remuneration and issued remuneration slips for July 2024 to 257 YPs.
- The 6th Batch Annual Increment & Extension file is prepared and sent for approval to the competent authority.
- The transfer request file for 15 YPs has been sent to the competent Authority for approval of transfers.
- Resignation applications for six (6) YPs and leave requests for one YP have been submitted for approval.
- Four (4) NOCs have been issued to YPs upon request.
- Three work experience and relieving letters have been issued.
- Data on YPs up to August 2024, including details of existing YPs, those who have resigned or been terminated, those on long leave, and transfer data, has been compiled and shared with the NCS Coordination Team, DGE.
- The 4th review forms for 43 YPs of Batch 7, the 3rd review forms for 83 YPs of Batch 8, and the 2nd review forms for 32 YPs of Batch 10 have been collected.
- Approval of the competent authority, termination letters have been issued to two YPs.

NATIONAL INSTITUTE FOR CAREER SERVICE

ACTIVITIES OF MODEL CAREER CENTRE , NICS

The Ministry of Labour & Employment has established a few Model Career Centres (MCCs) that operate directly under the supervision of the Ministry. One such MCC was approved at the National Institute for Career Services (NICS), since its establishment, MCC NICS has been dedicated to effectively implementing employment services. It organizes job fairs, supports jobseekers in making informed career decisions by providing comprehensive employment-related information, conducts career talks and seminars, offers career guidance and counseling, and provides employability training.

Key activities at MCC NICS include facilitating the registration of job seekers, employers, and other stakeholders on the NCS portal, conducting job fairs and placement drives, offering individual and group career guidance sessions, organizing workshops and orientation programs to raise awareness about NCS, creating video success stories of beneficiaries, and hosting webinars on new and emerging job roles to provide essential career insights and guidance.

From July 2024 MCC has initiated a new program career cum job fairs. The aim of these events is to offer students in their 1st and 2nd years of study a comprehensive understanding of various career paths and job opportunities available to them. Through these fairs, students can explore potential career options, interact with professionals from different industries, and gain valuable insights into the skills and qualifications required for their desired fields. This initiative seeks to empower students with the knowledge and resources they need to make informed decisions about their future careers.

Outreach Activities

Outreach activities conducted by the Model Career Centres (MCCs) aim to increase awareness about the NCS Portal, identify potential job seekers, and build relationships with employers. These activities include collaborating with employers, establishing industry partnerships to identify job vacancies and training needs, organizing skill development programs to enhance employability, and conducting awareness campaigns to educate the jobseekers about career options and MCC services. Additionally, MCCs use digital outreach through social media and online platforms to reach a broader audience.

These efforts contribute to a robust ecosystem supporting employment and skill development in the region. For job seekers, these activities enhance employability through skill development programs and career counseling, increase awareness about career options, provide direct access to potential employers through job fairs and placement drives, and boost confidence through workshops and counseling sessions, making them more assertive in job interviews. Overall, the outreach activities of MCCs have a significant impact on both job seekers and employers, positively influencing the employment landscape.
