ACTIVITIES OF MODEL CAREER CENTRE , NICS

The Ministry of Labour & Employment has established a few Model Career Centres (MCCs) that operate directly under the supervision of the Ministry. One such MCC was approved at the National Institute for Career Services (NICS), since its establishment, MCC NICS has been dedicated to effectively implementing employment services. It organizes job fairs, supports jobseekers in making informed career decisions by providing comprehensive employment-related information, conducts career talks and seminars, offers career guidance and counseling, and provides employability training.

Key activities at MCC NICS include facilitating the registration of job seekers, employers, and other stakeholders on the NCS portal, conducting job fairs and placement drives, offering individual and group career guidance sessions, organizing workshops and orientation programs to raise awareness about NCS, creating video success stories of beneficiaries, and hosting webinars on new and emerging job roles to provide essential career insights and guidance.

From July 2024 MCC has initiated a new program career cum job fairs. The aim of these events is to offer students in their 1st and 2nd years of study a comprehensive understanding of various career paths and job opportunities available to them. Through these fairs, students can explore potential career options, interact with professionals from different industries, and gain valuable insights into the skills and qualifications required for their desired fields.
