EMPOWERING GIG WORKERS: NCS PARTNERS WITH SWIGGY FOR JOB CREATION

The Ministry of Labour & Employment has signed a Memorandum of Understanding (MoU) with Swiggy to boost employment opportunities in the gig and logistics sector through the National Career Service (NCS) portal. This collaboration aims to create over 12 lakh job opportunities in the next 2–3 years. Under the agreement, Swiggy will integrate and regularly post verified delivery and logistics job openings on the NCS portal through an API-based system, enabling real-time updates and application tracking. The initiative focuses on inclusive hiring, targeting youth, women, and those seeking flexible work options. This MoU is part of the Ministry's broader efforts to enhance public-private collaboration in employment facilitation and digital empowerment.

DRIVING EMPLOYMENT GROWTH: NCS COLLABORATES WITH RAPIDO

rapido

The Ministry of Labour & Employment has signed a Memorandum of Understanding (MoU) with Rapido to enhance employment opportunities in the logistics sector through the National Career Service (NCS) portal. The collaboration, launched in the presence of Union Ministers Dr. Mansukh Mandaviya and Sushri Shobha Karandlaje, aims to generate over 50 lakh livelihood opportunities within 1–2 years.

As part of the MoU, Rapido will post verified job opportunities for bike taxis, autos, and cabs on the NCS portal, with API-based integration ensuring real-time listings and seamless application tracking. A strong focus is placed on inclusive hiring—especially for youth and women, with 5 lakh jobs earmarked for women through initiatives like "Pink Rapido."

This partnership reflects a broader government strategy of bridging the gap between job seekers and private employment platforms, fostering a digitally empowered and inclusive workforce.

BRIDGING EDUCATION & EMPLOYMENT: OPERATIONALIZATION OF THE E2E CAREER LOUNGE AND JOB FAIR

The E2E Career Lounge, initiative by the National Career Service (NCS) under the Ministry of Labour & Employment, has been set up at NICS, Noida. On April 29, 2025, the Hon'ble Minister, Shri Mansukh Mandaviya, visited the facility to observe the ongoing activities of the E2E Lounge. During the visit, he interacted with various stakeholders, including employers and job seekers, and took note of their feedback and suggestions. This platform aims to bridge the gap between education and employment by offering services such as AI-driven job matching, industry exposure, digital counseling, and skill development with mentorship.

On the same day, a job fair was organized, attracting 311 participants, including 253 job seekers and 58 school students who sought career counseling. The event featured 12 employers posting 1,324 vacancies across various sectors, with 97 job-seekers shortlisted and 8 receiving on-the-spot offer letters. This initiative serves as a valuable platform for youth empowerment and job facilitation, contributing to the broader goal of enhancing employment opportunities.

SUCCESS STORIES

Madhusmita Dash, Ganjam, Odisha

“My name is Madhusmita Dash, and I am 26 years old with a degree in Political Science. Life has been full of challenges, and I faced daily struggles without much support. Despite this, I held on to a dream - to overcome my difficulties and build a better life for myself and my family. I always believed my confidence & hard work. I aspired to work in my district but couldn't find a suitable opportunity. I worked in three different jobs, but none brought me true satisfaction. Everything changed when I visited the MCC/DSDE Office in Ganjam, Berhampur, Odisha and met with the knowledgeable Young Professional. With his support, I received multiple job opportunities, including an interview with Muthoot Microfin Ltd., where I was successfully selected. I am deeply grateful to the MCC/DSDE Office, Ganjam, Berhampur, for helping me take this important step forward.”

Akhilesh Kumar, Munger, Bihar

“My name is Akhilesh Kumar, and I am a resident of Mohiya, Pratappur in the Munger district. I have completed my Bachelor of Arts from Munger University. Previously, I was employed as a salesman at a local shop in Munger; however, the salary was quite low. I was actively seeking better job opportunities that would allow me to support my family more effectively. During my search, I learned that the Model Career Centre, Munger organizes 3-4 job camps each month. I attended one such job camp where Swiggy was recruiting for the position of Delivery Partner. I appeared for the interview, and I am pleased to share that I was selected. I am now working as a Delivery Partner with Swiggy. I am truly grateful to the NCS Portal and the Model Career Centre, Munger, for providing me with this valuable opportunity.”

SUCCESS STORIES

Chandrika, Kalaburagi, Karnataka

“After completing my Pre-University Course (PUC) in the Arts stream, I was unable to pursue further education due to family circumstances. I then began exploring employment opportunities in fields such as accountancy, banking, computer operations, data entry, and tele-calling. During my job search, I came to know about the MCC in Kalaburagi, Karnataka. The staff there offered invaluable guidance, particularly regarding job fairs and walk-in interviews. Shortly thereafter, I had the opportunity to attend a mini job fair organized by MCC, where I was fortunate to be selected for the position of Junior Machine Operator. This achievement brought me immense joy and a sense of accomplishment.

I am sincerely grateful to NCS and MCC, Kalaburagi for their continued support and guidance throughout this journey.”

Gurpreet Singh, Ludhiana, Punjab

“After being unemployed for a while, I was eagerly looking for the right opportunity to restart my career. That’s when I came across a post about a job fair on Facebook. I visited the venue and, after receiving valuable counseling, was given the chance to attend an interview. Encouraged by the support I received, I participated in four job fairs. At the fourth one, with guidance from a career counselor, a Placement Officer shortlisted me. I was later successfully placed in a logistics company through a third-party payroll arrangement.

I am thankful to the MCC, Ludhiana for their support and for helping me secure a meaningful employment. Their efforts made a significant difference in my career journey.”

Swiggy Govt Tie-Up Targets Youth, Women for Gig Jobs via National Career Service Portal

by AZDHAN on APRIL 16, 2025

2 MINUTE READ

The Ministry of Labour & Employment and Swiggy signed a Memorandum of Understanding (MoU) with an aim to increase the employment of the gig and logistics sector through the National Career Service (NCS) portal.

Union Minister Dr. Mansukh Mandaviya expressed that Swiggy can potentially create "12 lakh job opportunities in the next 2-3 years." "While Swiggy will gain access to a diverse, skilled, and job-ready talent pool, lakhs of job seekers across the country will benefit from enhanced visibility and access to employment opportunities," said the Union Minister, referring to it as a win-win situation.

Swiggy will integrate its job opportunities through the API integration to "focus on inclusive hiring, promoting opportunities for youth, women, and those seeking flexible work."

Why It Matters:

The National Career Service portal was launched as a "one-stop solution that provides a wide array of employment and career-related services to the citizens of India" back in 2015 as a five-year plan. As of January 31, 2025, the NCS has "1.25 crore active job seekers and 40 lakh registered employers", said Union Minister Dr. Mandaviya in the [press release](#).

Earlier in April, Nandan Nilekani, co-founder of Infosys and founding chairman of Aadhaar (UIDAI), also expressed his idea of having a "population-scale formalisation" to increase the scope of employment. He was proposing the National Portable Credential System, a platform of professional credentials that may act like a mix of DigiLocker and LinkedIn.

This comes amidst the Minister of Commerce and Industries, Piyush Goyal's recent remark on Indian startups, especially the quick commerce and food and service delivery apps. "What are India's startups of today? We are focused on food delivery apps, turning unemployed youths into cheap labour so the rich can get their meals without moving out of their houses," said Piyush Goyal at Startup Maha Kumbh.

Dimapur: 32 PwDs explore career opportunities through seminar

A Seminar on 'Career Counselling and Entrepreneurship' was held for Persons with Disabilities (PwDs) at the Conference Hall, District Hospital Dimapur on April 26. (Morung Photo)

NAGALAND 26th April 2025

Morung Express News
Dimapur | April 26

'Adaptability, communication skills, emotional intelligence, critical thinking and creativity' are essential skills for persons with disabilities (PwDs) to develop for their rehabilitation and inclusion in the mainstream of today's world. Abdul Saleem TK, Rehabilitation Officer at the National Career Service Centre for the Differently Abled (NCSC-DA) Dimapur, addressed these concerns during the 'Seminar on Career Counselling and Entrepreneurship' for Persons with Disabilities (PwDs) which was held today at the Conference Hall, District Hospital Dimapur.

The seminar was organised by Prodigals' Home supported by the LIC Housing Finance

Ltd (LIC HFL) Sarthak Initiatives as part of its corporate social responsibility (CSR), in collaboration with the Office of the State Commissioner for Persons with Disabilities (SCPD) and the National Career Service Centre for the Differently Abled (NCSC-DA) Dimapur.

It covered three sessions on 'Entrepreneurship', 'Disability Sensitisation and Rehabilitation', and 'Financial Assistance.'

The event saw the participation of 32 persons with disabilities (PwDs), identified through a community-based survey conducted by Prodigals' Home in December 2024 across the districts of Dimapur, Chümoukedima, and Niuland, targeting adults between the ages of 18 and 40.

Debunking common misconceptions about disability, Rehabilitation Officer Abdul Saleem TK stated that while people with disabilities are often perceived as always dependent, many are, in fact, independent and highly capable. He challenged the notion that disability is seen as inability, emphasising that, like anyone else, PwDs possess a wide range of skills and talents.

He also noted that the Rights of Persons with Disabilities (RPWD) Act, 2016 recognises 21 types of disabilities, dispelling the misconception that disability is solely physical. The Act acknowledges invisible disabilities such as autism, dyslexia, and mental health issues, which require equal care and attention.

TK further addressed the false belief that PwDs cannot marry or raise families, a perception that often limits their social acceptance. He highlighted that the RPWD Act mandates a 4% reservation in government jobs for persons with benchmark disabilities, and a 5% reservation in all government-funded higher education institutions.

TK discussed the numerous challenges faced by PwDs in India and elaborated on the differences between the 'medical model' and the 'social model' of disability. Unlike the
