Ministry of Labour and Employment, Government of India, is running the National Career Service (NCS) Portal which is a one-stop solution for providing career related services including information on jobs from private and government sectors, information on online & offline job fairs, job search & matching, career counselling, vocational guidance, information on skill development courses, skill/training programmes etc. through a digital platform [www.ncs.gov.in].

One of the objectives of the NCS scheme is setting up of Model Career Centres (MCCs). The Ministry had approved 4 MCCs in the State of Haryana. As on 10.07.2025, more than 4.25 lakh vacancies have been mobilised on NCS Portal in the State of Haryana.
