The **Ministry of Labour & Employment (MoLE)** signed a **Memorandum of Understanding (MoU) with Zomato** in New Delhi to enhance access to flexible, technology-enabled livelihood opportunities through the **National Career Service** portal. The MoU was signed in the presence of Union Minister Dr. Mansukh Mandaviya, Minister of State Ms. Shobha Karandlaje, and Secretary Ms. Vandana Gurnani.

Dr. Mandaviya highlighted that the NCS portal, with over **7.7 crore vacancies mobilized**, has become a vital bridge between job seekers and employers, and the partnership with Zomato will further integrate gig and platform roles into the formal employment ecosystem.

Under the MoU, **Zomato will list around 2.5 lakh flexible livelihood opportunities annually** on the NCS portal, providing structured access to income avenues for delivery partners and gig workers. The collaboration also supports the Government's vision of **Viksit Bharat 2047** by promoting formalization and social security for all workers.

This partnership adds to MoLE's growing network of collaborations with leading organizations such as Amazon, Swiggy, Rapido, Zepto, and TeamLease, collectively generating over five lakh job opportunities through NCS in the past year.

PMIS–NCS INTEGRATION: EMPOWERING YOUTH THROUGH CAREER OPPORTUNITIES

To strengthen career linkages, **PMIS is now integrated with the National Career Service Portal**, enabling interns to seamlessly access employment, skilling, and career guidance services. - *Domestic & International Jobs*

Candidates can log in using their existing NCS credentials or register directly from the PMIS dashboard.

Soon, the same feature will be launched on the NCS Portal as well, enabling NCS jobseekers to directly apply for internships under PMIS.

This two-way integration ensures that both PMIS interns and NCS jobseekers benefit from a unified ecosystem of jobs, internships, skills, and career services—advancing the Government's vision of a “**Skilled and Employable Bharat.**”
