INTRODUCTION

The growth of Management Education has been rapid in recent years. The number of Management Institutions providing Degrees/Diploma's and certificates in Management are, therefore, increasing day by day.

The fastest growth of all business programmes in the recent past has been at the MBA level. These programmes cater to the students who come from a variety of disciplines such as Arts, Science, Engineering, Commerce, Technology etc.

Admission to the MBA Programme is, however, done on a competitive basis. Besides qualifying the Entrance test candidates have to appear in group discussions, interview and battery of other tests. In the case of IIM's there is a Common Admission Test (CAT) on the basis of which candidates are called for Interview, group discussion and for final selection.

The publication Admission to MBA courses covers the following information in respect of MBA/MBM/MMS and MBA part-time courses :

1. Name and address of Institute/University.
2. Course Duration
3. Admission Requirement
4. No. of Seats available
5. Date of Notification
6. Admission procedure
7. Domicile requirement and Reservation of SC/ST. P.H. OBC and other category.

Tremendous job opportunities are available in the employment market for persons possessing degree/Diploma in management.
