**MINISTER OF STATE FOR LABOUR AND EMPLOYMENT
(SHRI RAMESWAR TELI)**

(a) to (b): The data on Employment and Unemployment is collected through Periodic Labour Force Survey (PLFS) conducted by the Ministry of Statistics and Programme Implementation (MoSPI) since 2017-18. The survey period is July to June every year.

As per the latest available Annual PLFS Reports, the estimated Labour Force Participation Rate (LFPR), Worker Population Ratio (WPR) and Unemployment Rate (UR) on usual status for persons of age 15 years and above in the country during the period 2018-19 to 2022-23 are as follows:

(%)

Years	WPR	UR
2020-21	52.6	4.2
2021-22	52.9	4.1
2022-23	56.0	3.2

Source: PLFS, MoSPI

The data indicates that the WPR, indicating employment, has an increasing trend over the years and unemployment rate has a declining trend over the years.

Employment generation coupled with improving employability is the priority of the Government. Accordingly, the Government of India has taken various steps for generating employment in the country, both rural and urban areas.

The Government of India has announced Aatmanirbhar Bharat package to provide stimulus to business and to mitigate the adverse impact of Covid 19. Under this package, the Government has provided fiscal stimulus of more than Rupees Twenty Seven lakh crore. This package comprises of various long term schemes/ programmes/ policies for making the country self-reliant and to create employment opportunities.

The Aatmanirbhar Bharat Rojgar Yojana (ABRY) was launched with effect from 1st October, 2020 to incentivize employers for creation of new employment and restoration of loss of employment during Covid-19 pandemic. The terminal date for registration of beneficiaries was 31.03.2022. Since inception of the scheme, till 19.01.2024, benefits have been provided to 60.49 lakhs beneficiaries under the scheme. State/UT-wise progress of the scheme is at Annexure-I.

The Government is implementing Prime Minister Street Vendor's AtmaNirbharNidhi (PM SVANidhi Scheme) since June 01, 2020 to facilitate collateral free working capital loan to street vendors to restart their businesses, which were adversely impacted during the Covid-19 pandemic. As on 31.01.2024, 83.67 lakh loans have been sanctioned under the scheme. State/UT-wise progress of the scheme is at Annexure-II.

Pradhan Mantri Mudra Yojana (PMMY) was launched by the Government for facilitating self-employment. Under PMMY, collateral free loans upto Rs. 10 lakh, are extended to micro/small business enterprises and to individuals to enable them to setup or expand their business activities. State-wise data since inception of the scheme is at Annexure-III.

The Production Linked Incentive (PLI) scheme is being implemented by the Government with an outlay of Rs. 1.97 lakh crore, for a period of 5 years starting from 2021-22 which have potential for creating 60 lakh new jobs.

PM GatiShakti is a transformative approach for economic growth and sustainable development. The approach is driven by seven engines, namely, Roads, Railways, Airports, Ports, Mass Transport, Waterways and Logistics Infrastructure. This approach is powered by Clean Energy and Sabka Prayas leading to huge job and entrepreneurial opportunities for all.

The Government of India is encouraging various projects involving substantial investment and public expenditure on schemes like Prime Minister's Employment Generation Programme (PMEGP), Mahatma Gandhi National Rural Employment Guarantee Scheme (MGNREGS) and Deen Dayal Antodaya Yojana-National Urban Livelihoods Mission (DAY-NULM) etc. for employment generation. State/UT-wise details of the progress of the schemes are at Annexure-IV to VII.

Further, the Ministry of Skill Development and Entrepreneurship (MSDE) is implementing the National Apprenticeship Promotion Scheme (NAPS), Pradhan Mantri Kaushal Vikas Yojana (PMKVY), Jan Shikshan Sansthan (JSS) Scheme and Craftsman Training Scheme (CTS) through Industrial Training Institutes (ITIs) to enhance the employability of youth.

Besides these initiatives, various flagship programmes of the Government such as Make in India, Start-up India, Stand-up India, Digital India, Housing for All etc. are also oriented towards generating employment opportunities.

All these initiatives are expected to collectively generate employment in the medium to long term through multiplier-effects.
